FARTS and PEEVES

ASSHOLE OF THE MONTH

Put your hand in a pile of shit. Squeeze the poop through your fingers. Raise a chunk to your nose, and sniff. Take a nibble. Chew thoughtfully. Discard, and try again with the next turd. Repeat until you are coated in the very shit that you had hoped to fling on someone else. You are now independent counsel Kenneth Starr and HUSTLER's Asshole of the Month for August 1998.

Kenneth Starr's presence is difficult to explain. In 1994, Attorney General Janet Reno appointed Robert Fiske Jr., a Republican U.S. attorney, to investigate alleged financial improprieties of President Bill Clinton and his wife.

Senator Jesse Helms was dissatisfied with Fiske's aggression. After a July 1994 meeting between Helms and a judge empowered to switch independent counsels, Kenneth Starr, a former Reagan and Bush official, replaced Fiske, supposedly to eliminate an appearance of partiality.

"There is no room for white lies," said Starr. "There is only room for truth." The truth is that Starr appears to be about as impartial as stink is toward shit.

In 1996, while serving as independent counsel, Starr received \$1.1 million in pay from the law firm Kirkland & Ellis, of which he is a senior partner. Kirkland & Ellis's client list is long on corporate giants, such as cigarettemaker Brown & Williamson, which lists Starr as their counsel of record. Starr's client has a vested interest in driving Clinton from office due to the President's stand against selling tobacco to minors.

In Starr's role as independent coun-

sel, he investigated the Resolution Trust Corporation (RTC), a government agency that had sued Starr's law firm and settled for \$325,000. A conflict of interest in Starr grilling individuals who had bested his company is clear to anyone who has not flicked shit in his own eye.

Shit-eyes Starr's office is also preparing an investigation into charges that their primary informer, a convict, was paid by a Starr benefactor to testify against Clinton. No conflict?

Starr is a minister's son. His mother says that his junior-high hobby was shining shoes, an activity that accustomed his fingers to brown sludge. Starr worked his way through college selling Bibles door to door. He claims that he starts his day

by jogging to a creek and singing a hymn. He gave a keynote address at Regent University, which is run by Pat Robertson, founder of the Christian Coalition. Despite his Christian rigors, Kenneth Starr fixates on sex.

The original charter to Starr's appointment states: "To investigate whether any individuals or entities have committed a violation of federal criminal law relating in any way to...relationships with Madison Guaranty Savings and Loan Association, Whitewater Development Corporation, or Capital Management Services, Inc."

Starr has turned the quest for financial improprieties into a question of whether Bill Clinton urged

Monica Lewinsky to deny having fucked him.

The right of a man in a free country to hide his extramarital affairs is an implicit freedom that the Founding Fathers felt could go unstated in the Constitution. Starr's operatives have been grilling Arkansas residents for information about Clinton's sexual hijinks for years. These intrusions are a gross violation of a truth that is self-evident to all reasonable men of good faith.

In 1997, Linda Tripp taped phone conversations in which former intern Monica Lewinsky allegedly discusses sucking Clinton's cock. These tapes are probably illegal, but Starr acted upon their content without waiting for court approval to do so. A former judge, Starr seems to reserve all judgments for himself.

Like the cigarettes he defends, Starr is destructive. Short-term harm is a government consumed with subpoenas rather than addressing the problems of its citizens. In the long term, Starr's insistence that Secret Service agents testify against the man they are sworn to shield will jeopardize the safety of all future Presidents. Starr is eroding our Constitutional protections against unreasonable persecution. In America, a man is deemed innocent until proven guilty. Starr's mode is to pick a target and throw shit at him.

"Just the facts, ma'am," is the special prosecutor's motto. The facts, as they stand, are that after spending more than four years and \$40 million of taxpayer money, the shit so far is all sticking to Starr, as shit does to any Asshole.

David Brock: David Brock is the journalist who brought Paula Jones to the *American Spectator*. Brock recently confessed in *Esquire* that the *Spectator* story had been a mistake he would not make today. Painting yourself as a former loser is the first refuge of the Asshole.

FARTS IN THE WIND

Fred Goldman: "For me, the word *celebrity* is offensive," said Fred, announcing his proposed TV show, a series that is only considered because of publicity surrounding the deaths of Fred's son, Ron, and Nicole Simpson. Try on the word *Asshole*; see how it fits.

Pamela and Tommy Lee: "I'm very proud of Tommy," said Pamela Lee as her estranged husband pleaded no contest to kicking her dumb ass. "I'm happy that he took responsibility for this. It's the first step toward healing." There's no healing from the condition that is conjoined Assholes.

She was blacker than tar. He was richer than God. The only thing that separated them was the Atlantic and an ocean of bigotry. But against all odds, Robert DeNiro's *dinero* turned a basic crosstown booty call into an international tête-à-twat. A Paris brothel was raided by French police, and a paper trail led them to DeNiro. The aging movie star was questioned, interrogated and eventually released after much embarrassment and many hurt feelings. All for Charmaine Sinclair's *pussoire noire* and a bit of forbidden Black Tail....

Beaver Scout

HUSTLER has always been my favorite magazine. I love the beautiful ladies in *Beaver Hunt*. I look at each picture carefully, hoping to see someone I know. While checking out the May '98 issue, I noticed the very beautiful Courtney Lee from Lubbock, Texas. Her gorgeous body and pierced clit blew my mind. I wish HUSTLER printed a magazine that consisted solely of the luscious ladies from *Beaver Hunt*.

—M. H.
Pittsburgh, Pennsylvania

You're in luck. THE BEST OF BEAVER HUNT hit the newsstands on May 26, 1998. Call 1-815-734-1142 to order an issue.

Seeing Redheads

I couldn't wait for strawberry blonde Iris to appear in the July 1998 issue (*Iris: Erotic Acrobat*). When will I see a pictorial of two real redheads in steamy girl-on-girl action?

—R. G.
St. Paul, Minnesota

Two flame-haired lesbos, hold the dick, coming right up. Until your order arrives, sample the brunet betties serving slit in Abbey and Lucy: Lust Factory on page 91.

Boot-Camp Blues

I am a 20-year-old Marine in training. I will be stationed here for many more months before I'm granted leave. I'm asking HUSTLER to help a young Devil Dog with a severe case of the blueballs. My fiancée lives on the other side of the country. I desperately miss her tasty body and tight pussy. Would HUSTLER donate \$550 for a round-trip ticket to a Marine sacrificing his freedom to serve his country?

—R. M.
Fort Leonardwood, Missouri

Curing only one soldier of his blueballs would be irresponsible and unjust to our army of HUSTLER readers. HUSTLER urges your fiancée to send in a picture of that tasty body with two forms of identification and the signed model release on

page 108. Not only will she relieve your post, but she'll aid thousands of dogs in similar situations.

Hugs and Pisses

My compliments on HUSTLER's decision to print plenty of peeing spreads in the June (*Daisy: Fetish Peddler*) and

July (*Cheri: Humiliation Academy*) issues. Before seeing these sets, I wasn't sure about renewing my subscription. The summer issues convinced me that HUSTLER is still the hottest magazine.

—T. K.
Dayton, Michigan

More Piss Praise

Thanks for the squirting Daisy in June '98 HUSTLER (*Daisy: Fetish Peddler*). The hot idea of warm piss really heats the reader's blood after a long, cold winter. I hope you regularly feature beautiful women wetting the pages of this great magazine. This spring, I'm not only thinking pink, but yellow too. Peeing HUSTLER Honeys—Bring them on!

—D. D.
Indianapolis, Indiana

Hedgehog Had His Day

I am a big fan of HUSTLER and a huge Ron Jeremy fanatic. I think he's talented and hilarious. HUSTLER should interview the Hedgehog for a feature article.

—A. W.
Lehigh Valley, Pennsylvania

Ron's furry form scurried through the pages of the April '98 HUSTLER in Hedgehog's Day: 24 Hours in the Life of Ron Jeremy. The hairy prince's smashing performance in this summer's monster cinema blockbuster will be a starring feature in next month's Bits & Pieces.

Cheri: Humiliation Academy

King of Pink and Kink

Jesus Christ! The June issue of HUSTLER is the hottest I've ever seen. The shots of girls peeing, fisting and sucking cock are unbelievable. If that isn't enough to convert nonbelievers, the straight pussy-shots are breathtaking! I worried that HUSTLER was retreating away from its hard-core roots. I'm not worried any longer. HUSTLER rubs *Penthouse's* nose soundly in stink. On the quality of the June '98 issue alone, I'll be a subscriber for life.

—B. S.
Ventura, California

Suck and Swallow

I thought HUSTLER was the nastiest magazine in the adult market. HUSTLER is mellowing out in its old age. *Penthouse* passed HUSTLER up by featuring girls with fingers, tongues and toys inserted deeply in pussies and assholes. *Penthouse* even showed a girl taking the entire head of a thick cock into her mouth. Show some backbone or at least some balls. Blaze the trail instead of tagging along.

—P. P.
Akron, Ohio

We're waiting for you to catch up, P. P. Trey and Teresa: Holistic Hootch in the June '98 issue already featured the hard-core cocksucking you described.

Bigger and Better

I subscribed to *Fox* last year after a friend told me they publish better girl/girl layouts than HUSTLER. I was disappointed with what I saw. I decided to reacquaint myself with the women in HUSTLER. What has happened to America's Magazine? It's half the size that it used to be a few years ago.

—J. H.
Cranston, Rhode Island

Your memory is shrinking, J. H., not the size of America's Magazine. In the past year alone, HUSTLER added an extra girl set, as well as three bonus Beaver Hunt winners to every monthly issue.

Le Freak

I just received the June '98 HUSTLER. What a great leap forward for America's Magazine! The hard-core action is great. The question is: Will CHIC follow suit?

—R. S.
Via Internet

CHIC remains true to the love of girls and the hard-core action their hot, young bodies crave.

Punch With No Pop

I am writing HUSTLER to discuss a

unique desire of mine. I am a healthy, red-blooded, heterosexual American male who loves pussy. Over the years, I've trained myself to elude climax. I have gone months without spilling a single drop of seed. By keeping all my cum, I stay horny and aroused all the time. I am curious about having an operation that would disable my ability to ejaculate permanently. Imagine being horny as hell all the time and never coming no matter what a woman does. Through months of meditation and discipline, I could reach a level of sexual nirvana that would last forever. I could satisfy all women without rest. Please let me know if HUSTLER will sponsor my operation.

—G. M.
Tucson, Arizona

An operation is unnecessary. To attain your Tantric goal, HUSTLER suggests tuning in for a daily dose of Oprah and Rosie to quell any urge to come.

Chilling Child's Play

My husband and I recently rented *The People vs. Larry Flynt*. It was an excellent movie. We are both grateful to Mr. Flynt for battling to protect our Constitutional rights. Criticizing the recent *Bits & Pieces* parody of the

Louise Woodward tragedy ("Shake 'n' Bake Au Pair Style," April '98) is my way of practicing freedom of speech. When did child abuse become humorous? This gag is as funny and arousing as someone throwing a bucket of ice water on my cunt. Pick on adults, but don't make innocent children the punch line of bad humor.

—V. M.
Richmond, California

The black humor of Louise Woodward's absurd and grotesque product endorsement helps readers laugh in spite of a much darker tragedy. Larry Flynt lauds all free and independent thinkers, even if they unjustly criticize America's Magazine.

Buy HUSTLER

I want to applaud HUSTLER and Larry Flynt for pushing the boundaries of acceptability. I am not your typical HUSTLER reader. I'm a 39-year-old bisexual male who enjoys sucking cock as much as eating pussy. I buy HUSTLER for the studs as well as the babes. I'd love to see HUSTLER come out with a gay or bisexual magazine with the same brilliant photography, the spectacular taste in models and the same

This month in her regular column, porn legend Jeanna Fine responds to readers seeking erotic enlightenment. She invites you to drop her a line and join her on the fearless quest for the fucking truth.

FACE OFFAL

I love watching the cum facials in porn videos. I want to come in my girlfriend's face. She claims that the jizz will sting, burn and seriously irritate her eyes. Is she right?

—R. D.
Inglewood, California

Absolutely. Nothing feels worse than a wad in your eye from an amateur cocksman. Practice your marksmanship on a centerfold pinned to the wall, not your girlfriend's mug. When you're ready to use a human target, set your lady on her knees. In the final moments before your blow, jack your pud directly in front of her open mouth and extended tongue. Tell her to keep her eyes shut. Aim low. If cum flies in her eye, flush the sperm out with cold water.

FRIGGIN' BORED

I am a 20-year-old guy who doesn't know how to finger-fuck. I've frigged two girls in my life. They seemed bored with the diddling and pulled my hand away from their twats. What's the secret?

—M. G.
Montgomery, Alabama

There is no secret handshake to join the fraternity of finger fuckers. Prolonged frigging bores women. I recommend using digital stimulation as limited foreplay. Rub her clitoris through her panties, or tickle and tease the entrance of her pussy before intercourse. But don't diddle for too long. If your partner seems bored, take the hint, and let your tongue do the walking to another activity.

GREEN AND MEAN

My fantasy conflicts with my jealous personality. I want my girlfriend to perform oral sex on a well-hung man and then watch the two of them fuck. My fantasy disturbs me, but I'm obsessed with witnessing another man bang my lady. Should I suggest this fantasy to my girlfriend?

—J. W.
Las Vegas, Nevada

If you act on this fantasy, your self-admitted jealousy will certainly destroy the relationship. When you see your woman in the throes of passion with the well-hung man, you'll instantly resent her and attack with a barrage of hurtful bullshit. You're unable to enjoy the fantasy without feeling disturbed and humiliated. Why make the unpleasant feelings a reality? Keep this sexual whim safe in your head and not in your bed.

MIND FUCK

The only way I can bust a nut while fucking my girlfriend is to imagine sex with porn starlets. Is something wrong with me?

—E. L.
Custer, Oklahoma

No, I don't think anything is wrong with you. Men and women fantasize about people other than their immediate sexual partners to achieve orgasm. If you love your girlfriend, cast her in the porn movie in your head to relieve some of the guilty feelings of mental infidelity. Imagine me lapping your girlfriend's quim as you fuck her from behind.

ROOMY MATE

I'm dating a woman who has been with many partners. Her pussy feels loose. I think the years of dick have stretched out her cunt. I know porn actresses have rough sex with three or four guys a day. How do girls in the industry keep their clams tight?

—M. C.
Bismarck, North Dakota

Come out of the dark cave of ignorance, Neanderthal man. The size and elasticity of a woman's pussy have nothing to do with the number of men she has fucked. I have had sex with hundreds of men, birthed a child, and men struggle to penetrate my viselike vagina. Every pussy is built differently, and sizes range

Butt Row Outcasts

FULLY ERECT

Directed by Joey Silvera; starring Jade, Tia, Tye, Shawna, Tiana, Mortissa, Lea, Gina, Heidi, Joey Silvera and uncredited studs.
Videocassette: Evil Angel.

Oriental bombshell Jade, packing saline-pumped jugs and a flaring bubble butt to boot, opens *Butt Row Outcasts* with several inches of man gristle stuffed in her yap. Boned until a satisfyingly silly grin jerks across her inscrutably cute face, Jade departs with a quart of dick mayonnaise splattered across her eyelashes. The videography is masterful as each coupling proceeds. All-natural brunettes with conical creamers, stacked blondes with shaved, pink pudenda and bubbly Asian trollops with bushy clams and mouth-size chest morsels unpucker mouths and sphincters for hard-driven, wad-churning reamings. Joey Silvera displays a flair for perversity—inducing a slant-eyed slut to lick splunk from the floor—yet he achieves hard-core filth without the mean-spirited edge displayed by so many pretenders to the gonzo throne. Joey Silvera, the new king, reigns supreme on *Butt Row*.

—Mack Assarian

BUTT ROW OUTCASTS: Shawna preps Tye for a sperm-rocket ride.

BUTT ROW OUTCASTS: Face-fucking Mortissa.

God Answers a XXX Prayer

Flynt Bodyguard Moonlights as Pom Stud

"She was young," recalls Larry Flynt bodyguard Billy D. of his first glimpse of his costar Nellie Pierce on the set of *Bionca's Beyond Reality 5*. "A sweet, brunet gal, maybe 20 years old. Nellie was lying on a beam with her little leg gap wide open."

The sight of fresh, moist pussy moved Billy D. to prayer. "Please, God, I kept saying to myself, *let my dick get hard for that.*"

Billy D. was on his day off from his duties on Larry Flynt's security detail. The chance to work in a porn video was the fulfillment of a lifelong dream for Billy.

"I had no idea Billy worked for Larry Flynt," stated Bionca, when asked why she gave the unknown black man in the prime of his middle years the opportunity to break off his wood in a juicy slice of creamy white snatch less than half his age. "When I met Billy, I knew right away he was a sweet, sweet man."

It may have helped that the security specialist had provided Bionca with a photograph of his private weapon. Only through the use of new panoramic film technology was a photograph capturing the entire breathtaking span of Billy's manhood possible.

"That thing must be at least 12 to 13 inches," exclaimed Ron Jeremy when Billy unbuckled his trousers and allowed his blood club to boom out.

"I don't know how big it is," says Billy, sounding like a billionaire too rich to count his fortune down to the last million. "All I know is, it gets so damn big around, girls just grab it and say, 'Oh, my God!'"

After five hours of nervous, prayerful waiting on the set, Billy's first stab at porn stardom came. Bionca called, "Action," and succulent brunette Nellie Pierce spread for a double-team stuffing from Billy and veteran horndog T. T. Boy.

"I was scared," Billy admits today. "I sucked on that little girl's toes. I started eating her vagina, but I still wasn't getting no emotion down there. All the lights. All the people. I wasn't getting hard."

"But then she started sucking me, and, man, it just comes alive."

The slumbering giant awakened. Billy was ready to bust open little Nellie's tail.

"Do her in the ass," Bionca directed.

"No, no!" Nellie's frightened screams echoed on the set. "He's too big!"

"I didn't get a chance to do her in the ass," Billy explains. His face lights with joy. "But I can't remember the last time I had my dick inside a 20-year-old girl."

How does the boss feel about his employee moonlighting during off hours?

"I think it's okay with Mr. Flynt," Billy says. "Mr. Flynt has a new name for me. He calls me Old Tripod."

Intense Perversions Volume 6

ONE-QUARTER ERECT

Directed by Brian "Cheeks" Williams; starring Ruby, Holli Woods, Candy Hill, Frank Towers, Kyle Stone, Charlie, Candy Vegas, Sydnee Steele, Dave Hardman, Sledge Hammer and Guy DiSilva.

Videocassette: Heat Seeker Productions.

Intense Perversions, similar to the slumber-party pastime *Truth or Dare*, coyly asks each member of five fuck duos to describe a forbidden fantasy. The director flips a coin, and the winner's request becomes reality. Candy Vegas, with all the charm of a sun-fried Tijuana street whore, personifies *Intense Perversions* failure: relying on vacuous, vapid, vacant talent to suggest stupid scenes. Only Holli Woods manages to invoke a prick-stiffening scenario. Woods's electric-blue eyes blink under Bettie Page bangs as she plots the subversive tale of a Catholic schoolgirl seducing her teacher. Flitty Kyle Stone, in the role of teacher, gasps as Woods lifts her tartan skirt and reveals jet-black pubes, fuchsia labes and two orbs of jiggling flesh that form her tremendous can. Holding Holli's legs together over her head, Stone dips his wick in her tight, pink shitter. More dense than intense, *Perversions* is nearly a waste of tape.

Johnny Toxic's Butts Up

ONE-QUARTER ERECT

Directed by Phoenix 13; starring Kira, Justine, Gabriella, Candy Apples, Dick Nasty, Joey To and Johnny Toxic.

Videocassette: Sin City.

A porky brunette lolls in her crummy, dead-end-life apartment. She spreads undulating cheese thighs and shoves plastic into her loose, slimy cunt.

Angry-red pimples dot her flabby ass cheeks. Johnny Toxic enters. He wears a yellow hard hat, knee pads, boots and ball-hugger briefs. His appearance is supposed to be a joke; Toxic's character is called Fred the Butt Plumber. He fucks chicks in the ass when they call him on the phone. The back-door-delivery-man gag has been a stock routine of adult video since before Johnny Toxic's mother pooped him out of her snatch. Two of four scenes don't deliver anal sex. The incompetent boob manning the video cam renders much of the action in jerky, out-of-focus shadows. One skank, with a mirror-shattering grin, bends over to reveal black, crinkly sphincters. Was a dog's butthole grafted onto this chick? *Butts Up* is butt ugly.

—M. A.

L.A. Uncovered

ONE-QUARTER ERECT

Directed by Francois Clousot; starring Roxanne Hall, Laura Palmer, Jessica Darlin, Christi Lake, Nellie Pierce, Earl Slate, Vince Vouyer, Jonathan Morgan, Michael J. Coxx, Frank Towers, John Decker and Tyler. Videocassette: Sunshine Platinum.

More gum flapping than fucking, the fake film noir of *L.A. Uncovered* arrogantly forgets the viewer's purpose for renting a porn video. Michael J. Coxx plays Eddie Reliant, a hard-boiled dick in this overblown, long-winded blunder. Coxx's one-dimensional Mike Hammer impersonation falls flatter than ferret-faced Christi Lake's pancake ass. After yawning through 25 minutes of predictable plot, John Decker finally porks the face and ass of a crimp-hair fuck pig fresh from the trailer park. Coxx and frat buddy Frank Towers drum out the dreary beat of syncopated double dorking in Lake's large love canals. Looking like Kate Moss's well-fed, slutty sister, Roxanne Hall falls for the double cross as Coxx fingers her hairless quim and investigates her anal cavity. Stripped down, *L.A. Uncovered* might have taken off.

—M. S.

INTENSE PERVERSIONS: Towers tastes Ruby's slice.

BUTTS UP: Gabriella's toxic tang.

L.A. UNCOVERED: Double talented Christi Lake.

Motorhead Mike's Sweet Rides #1

Directed by Alex Sanders; starring Sid Deuce, Malitia, Sydnee Steele, Shannon Rush, Dee, Katie Gold, Alex Sanders, Bob Magnum, Austin Towers and J. J. Michaels. Videocassette: All Good Video.

Potato-nose helmsman Alex Sanders probably thought he had a ringer with *Sweet Rides*. He combines cum-slathered porn sluts with cool cars. Although a conceptually sound vehicle, *Sweet Rides* occasionally breaks down from missed money-shots. Awkwardly cramming in cramped car interiors, the contorted fuckers stain and scratch the immaculate automobiles, causing more anxiety than arousal. Some of the human collisions are worth watching, as when barely legal fuck gamine Katie Gold spreads her twiggy gams for J. J. Michaels on the running board of a cherry-red 1929 Ford Chop Top. Gold plants four on the floor, and Michaels rams his piston into her leaking cylinder. Gold's swollen chest buds wiggle and shake with each cunt-stretching crank. The lithe chippie sports a pained look on her cherubic face as Michaels bores out her clenched turd tunnel. Michaels throws a rod and blows hot oil all over Gold's pouting mouth. *Sweet Rides* grinds gears and backfires, only halfway to an excellent rating.

—M. S.

The Wrong Snatch

Directed by Veronica Hart; starring Juli Ashton, Nikita, Stephanie Swift, Hayley Lynn, Monti, Alexis DeVell, Scotty Schwartz, Ian Daniels, Kyle Stone, Johnny Pacwood, Holland, Nick East and Tony Tedeschi. Videocassette: VCA.

If angels fell from heaven and turned into porn sluts, they would look like Nikita. The tall, cool blonde from Russia is one of the most lovely creatures ever to crawl around on all fours and enthusiastically cram two cocks in her bottom apertures at once. Unfortunately, *The Wrong Snatch* takes 45 minutes to reach the zenith of Nikita's DP degradation. Most of this James Bond spoof seems like a high-school video project made by the more retarded elements of a special-ed class. Failed Hollywood actor Scotty Schwartz crops up in a number of painful cameos. Bored, implant-plumped sows mount rented studs for a series of halfhearted humps. At last, Nikita's otherworldly blue eyes loom into the screen. Her porcelain skin glows with fuck perspiration as her curly, blond snizz is stuffed with chud. A second prong plugs into her pink butt lips. Nikita arches electrically and writhes with unfakable abandon until twin bolts of ball current zap her simmering smile. Nikita's 12 minutes of dick-harrowing glory only partially rescue *The Wrong Snatch* from total failure.

—M. A.

SWEET RIDES: Deuce sucks Steele.

THE WRONG SNATCH: Nikita shares herself with chums.

Sugardaddy Volume Ten

TOTALLY
LIMP

Directed by Dave Cummings; starring Shanna McCullough, Samantha, Precious D'Mae, Lola Shores, Anastasia, Pandora, Candy Apples, Denise Peters and Dave Cummings. Videocassette: Fallen Angel.

Ever felt the urge to watch Grandpa fuck? Probably not, but America's dismissive attitude toward the elderly doesn't stop Elmer J. Fudd look-alike Dave Cummings from perpetrating acts of senescent coitus in *Sugardaddy*. Quite the cocksman, the good-natured 57-year-old sprays eight sluts with copious amounts of cum from his wrinkled elephant trunk. *Sugardaddy* falls victim to the justifiable ageism of the adult-movie industry, in which starlets pass their prime by their mid-20s. Yesterday's jerk-off fantasy Shanna McCullough causes the viewer's bile to rise. A porn veteran of considerable age, McCullough fades into the twilight of her career with Elmer J. Fudd's dick in her freckled ass and a skin condition on her chest that looks similar to the bubbly, oily crust of a McDonald's Hot Apple Pie. For the sake of the viewer, *Sugardaddy* should be retired. —M. S.

Canadian Beaver Hunt #6

TOTALLY
LIMP

Directed by Jim Gunn; starring Nicole Landon, Amanda Summers, April Victoria, Cleopatra, Fahren Heights, Nicollina Foxx, Pandora, Rob, Carlos D., Joe Dick and Austin Steel. Videocassette: Pleasure Productions.

Canadian Beaver Hunt claims to feature neighborly holes from north of the border. Who's to quibble with the fact that Nicollina Foxx speaks Canadian

with a Long Island accent? A hole's a hole to the stiff prick, and knobby nipped Nicole Landon is well-enough formed to induce a blood surge for a vigorous hard-on. The boner's high expectations quickly shrink as Landon is lifelessly plowed by a lumpy geek in a poorly lensed setting. The only twists added to the humdrum couplings are the outdoor settings, the occasional dyke pile and a porcine, jelly-bellied chick who might have been better employed in a fatty-chaser video. *Canadian Beaver Hunt* should be arrested at the border. —M. A.

Sizzle 2

THREE-QUARTERS
ERECT

Directed by Mitchell Spinelli; starring Toni James, Alexis Dane, Shawna Edwards, Tina Tyler, Angelica Sin, Gino, Tony Michaels, Alec Metro, Davia Ardell, Tom Scruise, Michael Hurt, John West, Rich Handsome and John Decker. Videocassette: Plum Productions.

In an outdoor orgy, a responsible brunette extends a fake-nailed finger to her fuchsia-colored fuckhole to discern if her partner's wiener is still wrapped in plastic. The camera pans to her velvet vertical slit. A condom-covered cock easily glides in and out of the glistening folds. The dick enters protected and reemerges naked, the prophylactic disappearing in the depth of her flue. Dedicated to his art, latexless Lothario continues the bareback bonejob without missing a beat. To quiet his lover's fears about his unprotected plunging, he huffs, "I swear, I had a condom." Pulling out, he nuts on her tight stomach. *Sizzle's* box cover boasts Toni James as the paramount pussy of the nut-wrenching epic, but gorgeous, tawny Alexis Dane steals the show. As John Decker wrecks her puckered pooper, Dane mauls her prominent love button with orgasmic gusto. *Sizzle 2* burns through scene after scene. —M. S.

SUGARDADDY: McCullough pleases her daddy.

CANADIAN BEAVER HUNT: Rob takes a stab at Landon's pelt.

Erotic Obsessions

HALF
ERECT

Directed by Chuck Martino; starring Angelica Sin, Liza Harper, Holly Body, Chandler, Shay Sweet, Emily, Eric Price, Tony Martino, Rich Handsome, Christian Steele and Frank Bukkwyd. Videocassette: Sunshine Films.

In *Erotic Obsessions*, Angelica Sin plops her ass on a leather couch during a therapy session and exposes the sexual kinks in her psyche, as well as her pantyless crotch. The silicone-enhanced slut bemoans her nymphomaniacal behavior. "I stay faithful to my husband. I never fuck one guy more than once." After the titanic-titted trollop narrates several snippets of graphically reenacted fantasy smut, trousers bulge big for the top-heavy brunette. The good doctor stalks Sin's miniskirted wiggle at the beach. Along the way, the shrink boffs a hooker on the hood of his Corvette. Sin attends a cocktail party and diddles her bean for a muscled dolt while he titty-fucks a hatchet-faced scum sucker. In the final scene, the good doctor aborts sick-bitch Sin's inner child by stabbing her womb with his hot poker. *Erotic Obsessions* cures blueballs with one-handed therapy.

Seymore Butts Does Europe Part 2

THREE-QUARTERS ERECT

Directed by Seymore Butts; starring Alisha Klass, Samantha Styllé, Maya, Andrea, Jesse James, Tom and Sean. Videocassette: Seymore Butts Home Movies.

Alisha Klass is the principal attraction in the traveling freak show titled *Seymore Butts Does Europe*. Klass may not be the brightest bulb to light up the obscene screen—she proudly displays a Seymore Butts tattoo across her cushy rump—but she is cute. More importantly, she is unique in her ability to projectile come. Klass hikes her grease-smearred thighs up in a V and screams like a kazoo stuck in a vacuum-cleaner hose while Butts rams digits into her crap rings. A strong, clear stream of alleged G-spot juice squirts from her baby chute. The fact that many physicians consider G-spot ejaculate to be nothing so mysterious as the spray of an incontinent bladder does not faze Butts. He squeezes his bulbous schnozz into her slit and thirstily laps up the flood of suspect body fluid. Favoring fresh-faced brunettes skilled in the art of giving deep-throat and talented at receiving punishing rectal reamings, *Seymore Butts Does Europe* succeeds in soaking the viewer's palm. —M.A.

Maximum Anal Xcursions Volume 19

FULLY ERECT

Directed by Max Hardcore; starring Phyllisha Anne, Amytheist Stone, Sirena Lewis, Don Fernando and Max Hardcore. Videocassette: Filmwest Productions.

Some people hate Max Hardcore. They say Max is a deviant psychopath. *Anal Xcursions*, like most finer Max productions, is twisted

SEYMORE BUTTS: Cutie-pie cocksucker Alisha Klass.

MAXIMUM ANAL XCURSIONS: Lewis's brown bull's-eye.

beyond the pale of accepted perversity. Max plunges a medical instrument into one hootchie's clam and presents queasy, excruciating close-ups of squirming cunt walls. Phyllisha Anne skips into Max's pad displaying the happy smile of an unsuspecting victim. Max grabs her by the throat and sodomizes her grin until Phyllisha Anne's mouth foams with choke spittle like a rabid mutt's. Predictably, dim-witted critics fail to see the satirical edge underlying Max's anal immorality plays. One butt boff begins with Max playing a chival-

rously concerned boyfriend. His troubled girlfriend arrives at his door. "I need your help," she says, the picture of needy feminine distress. "Sit, cunt," Max says, politely gesturing to the couch. "Are you pregnant?" "No," she answers. "Good. I'd hate to have a little fuck-hole junior running around." Max resolves the delicate situation by brutally fucking her in the ass, and she leaves, a happy, serene girl. *Anal Xcursions* is funny, disturbing and top-notch filth. It's not Max's fault if people hate themselves for liking him so much. —M.A.

Incredible Sexual Discovery!

Chemists perfect amazing Sex Scent that makes women give in!

LAS VEGAS— In a significant breakthrough that promises *more sex and better sex* for men and women everywhere, biochemists in University research labs have discovered a 100% legal, potent aphrodisiac (sex lure) that *chemically turns on a woman's inborn desire to make love!*

Science has long known that an exotic group of hormones called pheromones trigger sexual response in animals. Female insects release *pheromones* that allow males to track them from miles away. And we've all seen dogs "sniffing" each other as part of their mating ritual.

Finally, after years of research, scientists have isolated the powerful *human male pheromone* that triggers an "animal response" in any woman!

IT'S TRUE - A POTENT SEX SCENT THAT REALLY TURNS WOMEN ON!

Just one or two pheromone molecules trigger instant response in sensors in a woman's nose - and blast a powerful sex signal directly to her brain. *Instantly, she's "turned on" - without knowing why!*

In an actual blind study, half the men used cologne with *pheromones*, half did not: neither group knew which was which. The results were incredible: *five times as many men* using cologne containing pheromones reported *more sex, better sex, and greater sexual satisfaction* than the control group that didn't!

Single men reported that women were drawn to them like iron filings to a magnet! They said that more romantic contacts, and more satisfying sex was the result!

Married men reported new interest from their wives, *more great sex than they've had in years*. One man said, "She went from never being in the mood to being in the mood almost every night."

TURN AN ORDINARY HOUSEWIFE INTO A WANTON "SEX SLAVE"!

Any man who tries it will soon discover for himself that this incredible pheromone cologne - called **Sexcess!** - can turn almost any woman into an involuntary "sex slave" to her own *genetically-programmed* desires.

When a dentist put its powerful pheromone ingredient on a chair in his waiting room, women *fought to sit in that chair!*

When scientists sprayed pheromones in one phone booth, and left two others untreated, *more women used the sprayed booth than the other two combined!*

IT DOESN'T MATTER WHAT YOU LOOK LIKE - SEXCESS! IS REALLY GONNA WORK FOR YOU!

In a breakthrough study, one twin brother used pheromone cologne, while his identical twin brother did not. *Girls instinctively picked the brother wearing the cologne without knowing why!*

TRY IT YOURSELF AT ABSOLUTELY NO RISK!

Are you timid? Do you consider yourself to be unattractive? Are you always getting shot down by girls?

Sexcess! costs just \$29.90 for 5ml., and it's worth every penny and more. But we want you to try it yourself, at absolutely no risk to you.

Sexcess! is not commercially available.

Here's all you have to do. Dab a drop of **Sexcess!** behind your ears, in your armpits, and between your legs. Then walk into a room, and approach the woman of your choice. *She'll be the one who starts talking with you!*

In fact, if after one month of **Sexcess!** you

HERE'S HOW THIS AMAZING SEX LURE WORKS

Molecular structure of male pheromone Androstenone - the miracle ingredient in **Sexcess!**

Scientific research has proven beyond a doubt that human sexual response can be triggered by powerful chemical sex lures called pheromones.

Androstenone - the male pheromone in **Sexcess!** is picked up by receptors in a woman's nose, which immediately signal the sex center in her brain to "turn on". Her hormones start surging, her sex organs lubricate, and she instantly becomes romantic and receptive to sex! And the best part is, this automatic biological response is beyond your control - or hers!

IF YOU NEVER HAD SUCCESS WITH WOMEN AND THINK IT'S IMPOSSIBLE, AT LEAST READ THIS:

Because the pheromones in **Sexcess!** go to work instantly to trigger a *powerful sexual response in the deepest, most primitive part of a woman's brain*, it doesn't matter how old you are, what kind of physique you have, what you look like, or how rich you are.

Sexcess! guarantees you a 500% better chance at success with women, or your money back!

don't agree that it's the best thing that ever happened to your sex life, just write us a note, and we'll immediately refund your money. (You can even keep the unused portion of the product for your trouble!)

SUPPLIES ARE LIMITED - ORDER TODAY!

You'll swear it's a miracle - but it's not. It's science pure and simple, and that's why it works!

But creating the synthetic human male pheromone that is the secret to **Sexcess!** is a slow and costly process, and supplies are very limited.

There's simply not enough to go around, and **Sexcess!** is currently not available in any store. However, a small quantity has just been released by the laboratory - and you can order **Sexcess!** now if you hurry!

Dear Slut

(continued from page 18)

Before the ménage à trois, decide the best fit for her holes. The bigger dick of the duo drives her vagina, while junior rides anal.

from small to XXL. Perhaps the loose fit isn't caused by her pussy, but by the size of your cock.

TWO TIMER

My best friend and I are fucking the same girl. She asked us to double penetrate her. Can two cocks tear the skin between the asshole and pussy? What is the best position for maximum pleasure?

—A. S.
Buffalo, New York

Yes, two rough fuckers could tear her taint skin. But if you and your friend use great care and plenty of lubrication, there shouldn't be a problem. Before the ménage à trois, decide the best fit for her holes. The bigger dick of the duo drives her vagina, while junior rides anal. I suggest two possible positions. The first position works better for camera angles. Anal man lies on his back, acting as the anchor. The female sits reverse cowgirl and faces anal man's feet, in a crablike crouch. Pussy man enters her missionary-style. The girl's arms and feet support her body. The second position allows the female more comfort. Place pussy man on the bottom. The female sits standard cowgirl. Anal man plugs the bung doggy-style. Heed this warning: Penetrate her slowly! Vagina man always enters first. Anal man moves in accordance to her requests. Listen to the female, and make sure her cries are inspired by pleasure, not pain.

COMING UP SHORT

My dick measures six inches when erect. I have no problems attaining wood in front of strangers. I'm able to hold my jizz and pop on demand. Do I have a chance of making it in the porn business?

—T. K.
Roseburg, Oregon

Sorry, buddy, but the line of men waiting for a part in the porn business could circle the globe. You need both quantity and quality to be a working cocksman on the blue screen. Use your dick control to please women. If you really want to fuck on film, make amateur videos for a minor distributor. People have crossed over from the bush to the big leagues, but success stories are few and far between.

69 FLAVORS

My friend is a soldier and has traveled all over the world. He says pussies of different races have distinct flavors. Using white girls as a standard of comparison, he claims that black pussies taste bitter,

Asian poontang tastes sour and cunts from south of the border are salty. I've never performed cunnilingus on girls of color. Does your experience eating muff support his theory?

—E. B.
San Diego, California

Yes, pussies from different ethnic groups have distinct flavors. Taste depends on diet and hygiene. The same rule applies to men. Sperm from a man who ate a Caesar salad and asparagus for dinner tastes bitter compared to a guy who chowed on a cheeseburger. I have found that black women have an earthy, pungent tang that's extremely erotic and enticing. However, most women in this country will taste fairly uniform because they're Americanized and culturally similar.

PANIC BUTTON

My girlfriend takes hours to climax during sex. She complains that too much direct stimulation on her clit makes her pussy numb. How can I make her come if I can't touch her clit?

—A. L.
Lexington, Kentucky

Lay off the clit. Don't concentrate so hard on making her come. Have a Zen moment, and focus on feeling good. Get-

ting there is more than half the fun. The final goal shouldn't be a simple orgasm, but helping your partner find pleasure throughout the entire sexual experience.

THANK GRAFENBERG

Last time I fucked my girlfriend, I fingered her deeply. I rubbed something hard in her cunt. I thought the pea-shaped object was a tumor. When I brushed against it, she went into an orgasmic frenzy. What the hell is that pebble in her snatch?

—K. J.
Chippewa, Wisconsin

Nice navigation, Columbus of the coochie. Welcome to the wonderful, well-hidden world of the G spot. I hope you make many visits. Avoid lunging directly for the spot. Take your time, and use plenty of foreplay to prepare her for the deep dive for the magic marble.

"I can't suck enough black dick," gushes Kerri. "It's hard enough to live in a society that condemns my desire. Not to mention hiding it from my uptight husband, Yale." She gazes lovingly at her lover Jeffrey's stiff, ebony cock.

"It's not my fault Yale bought a loft next door to the most gorgeous African American male in Manhattan." Kerri slides her mouth over Jeffrey's bulbous meat helmet.

"Nothing tastes sweeter," Jeffrey whispers, gently fucking Kerri's face, "than forbidden fruit."

FEEDBACK

(continued from page 13)

fuck-the-establishment attitude.

—Anonymous
Las Vegas, Nevada

Thanks, but no thanks. HUSTLER already supports the gay community by featuring gorgeous, clit-licking lesbians in every issue.

Threeway or Gay

I am an 18-year-old male and a longtime fan of HUSTLER and Marilyn Manson. The August '97 issue was the first HUSTLER I purchased legally. I was stoked to see Manson posing nude (*Bits & Pieces*, "Marilyn Manson Caught Live and Untucked"). The *Feedback* letter in November '97 disappointed me ("Another Satisfied Reader"). I'm not gay, but my girlfriend and I want to fuck Manson. Being into Marilyn Manson doesn't make you queer.

—J. S.
Perkin, Illinois

Maybe not, but your self-proclaimed homoerotic feelings toward Manson will make you the butt of a relentless barrage of fag jokes.

HUSTLER Guidance

I'm having no luck finding some of the videos that received a Fully Erect rating in HUSTLER's *Erotic Entertainment*. I'm particularly interested in *Compulsive Behavior* from Odyssey Video Group. Any suggestions?

—D. B.
Addison, Illinois

Along with cum-stuck pages of XXX reviews, HUSTLER EROTIC VIDEO GUIDE provides a Manufacturer's Directory in the back of each issue. To order from Odyssey Video Group, call 1-800-369-6214.

True Romance

I have been a subscriber to HUSTLER for many years. I've never ordered the products advertised in the magazine. I saw the ad for the Pamela and Tommy Lee video in the April '98 issue. I figured that ordering from HUSTLER would be safe. My check was cashed three months ago, but I still haven't received my tape. What should I do? Is there anything HUSTLER can do to help? Keep up the good work, and thanks.

—T. H.
O'Fallon, Missouri

We checked your invoice, T. H., and immediately resent your tape of the

Baywatch babe's fuckfest. If you still haven't received the video, please call 1-800-537-5309.

Beautiful People

I recently read the March '98 issue of HUSTLER. A letter from Gary, Indiana, in *Feedback* captured my attention ("I Am Woman"). In his letter, the author wished to become a woman. He called for more transsexuals to appear in America's Magazine. Well, here I am, a lonely hermaphrodite looking for love. I am 40 years old, 5-11 and very trim. I have green eyes, brown hair and long, sexy legs. I love to cook, sew and fix cars. Boy, I wish I could meet a gentleman who would

appreciate me and my many talents.

—M. C.
Limon, Colorado

Tuck your tail between your legs. Wear black eyeliner, smeared lipstick and ripped stockings. Your new look will attract straight guys like J. S.

Do you have a comment or complaint? We want to hear it. Send your letters (typed or neatly handwritten) to HUSTLER Feedback, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211, or E-mail to hustler@lfp.com. Include a phone number if you want your letter considered for publication.

SEX PISTOL

If you were married to an unspeakably gorgeous, 5-7, peroxide bombshell with a 22-inch waist and 36-inch bust, who also happened to be a successful model and daytime soap-opera actress, would you beat the crap out of her as she held your infant son...and then shove the barrel of a gun up her blond-curled snatch? Probably not. Especially if she was a certifiable nymphomaniac who insisted upon sucking your cock at least three times a day. I mean, you'd have to be an utter moron to lose your temper and throw away such a sweet deal. Right?

Well, I match the description of the aforementioned nympho (except for the fact that my daytime-drama character has cancer; next month, I might perform in a hard-core porn flick). My brain-dead, lounge-singer husband had me in the palm of his hand—not to mention the crotch of his aged, Spandex pants—and he turned our marriage into a bigger pile of shit than I've ever found in our seven-week-old baby's diaper. This anonymous letter will serve as my revenge until I bleed a big, fat settlement out of the skeezy little piano-bar bitch; Shithead reads *HUSTLER* religiously; so America's Magazine seemed like the best place for his public humiliation.

The fateful night of my assault was like any other romantic evening in our household. I was deep-throating Shithead's admittedly awe-inspiring

wang in front of a whirring camcorder. Shithead and I used to always videotape our lovemaking until somebody stole one of the cassettes. You can imagine how mortified I was to realize people were watching our most intimate moments.

Strangely enough, the sex-tape incident never bothered Shithead; in fact, his only reaction was to buy a new Range Rover! When I asked where he got the money, he explained that his tinkling-ivories album had just hit number one on the charts. I thought that was a little suspicious. I never heard the fruity ballads on the radio or saw them on MTV. Then Shithead waved his tool in my face, and I was too busy gobbling to ask questions.

My love for swallowing seed is so profound that I allowed Shithead to break out the camcorder—despite my

quickly forgotten vow to never fuck in front of a lens again. He barked directions as my tongue ran up and down the length of his salty shaft.

"Cheat to the camera," Shithead demanded. "Let them see more of your eyes. Damn it, your hair's in the way!" Roughly, he yanked my golden locks and bounced my skull in his lap, all the while checking the auto-focus.

I dislodged his turgid johnson from my lips and begged, "Honey, no one else is going to see the tape this time, right?"

"Of course," he groaned, plunging back into the depths of my esophagus. Under his breath, I heard Shithead mutter, "Now I'll have to dub music over that part. Fucking great. Dumb, useless fucking cunt." He talks dirty like that when he's really excited. Sometimes he gets so lost in the moment, Shithead will

I love taking cocks—or anything else—up my tight butt. Sad to say, Shithead is simply too large for anal hijinks. The last time he wanted a little back-door loving, I bled.

shout the name of his idol, Liberace. I'll miss his passion—almost as much as I'll miss his giant wiener.

As Shithead clambered to set up a tripod, I peeled off my baby T and leather pants. Soon I stood naked before my husband, positively quivering for his touch. Cool night air from an open window caressed my tan flesh. A chill tingled down my spine to my perfect, delectable ass. Goose bumps rose in private regions I didn't even know I had. That's what it's always been like when I get horny, ever since I was a gang-banged teenager in the school hockey team's locker room. God, I'm a dick-drunk slut! At that moment, I wanted Shithead's rigid manhood inside my damp spot so bad, I could (quite literally) taste it. I moved toward the crouching stud until my muff's sopping love lips practically kissed his cheek.

Shithead was about to hit RECORD when he paused to ask, "Damn it, what reeks? Either that calamari on the counter went bad, or the baby threw up again. We'll deal with it later. Get on all fours, and let's get this shit over with."

I mounted the bed and lifted my luscious hindquarters, closing my eyes in achy anticipation of the womb-drubbing Shithead's metronome was about to provide. After our first year of marriage, he only wanted me from behind; Shithead actually went out and got a tattoo that reads, NO FACES. If I try to talk him into a position other than doggy-style, he simply points to the tat and shoves my head back into the pillow.

Ten minutes passed, however, and I had yet to be brutally boffed. I looked behind me and saw Shithead in the corner, frantically packing pud. His free, nonwanking hand held a copy of his latest CD, which features an arm-in-arm photo of Shithead and an Afghan hound.

"Yeahhh, man," Shithead whispered, his dong visibly engorging with a rush of blood. Upon meeting my gaze, Shithead screamed, "Don't you fucking look at me! This is a sacred moment, you whore!" Creative types are so eccentric. To keep myself interested, I slid a few digits inside my clam and friggid the silky interior.

Finally, his largish hands slapped my hind. Shithead tucked the tip of his prick into my cunt folds without a word. The veiny intrusion caused me to gasp; it's funny how a girl truly never gets used to being reamed by massive members. One thrust of

Shithead's hips drove the point home like a hairy exclamation point.

"Fuuuck," I exhaled, pivoting my groin to meet the next penile blow. My nipples stood up and pleaded to be twiddled, but Shithead didn't notice. He was too busy jackhammering my sweet poontang. Each buck of his hips was accompanied by a feral grunt. Although his technique was often lacking, the bastard sure was enthusiastic. Unfortunately, the pointer he employed to prod my bunghole warned me that Shithead was getting a little too eager in the wrong hole.

Don't get me wrong. I love taking cocks—or anything else—up my tight butt. Sad to say, Shithead is simply too large for anal hijinks. The last time he wanted a little back-door loving, I bled. He claimed that's healthy and natural, but something about the experience made me uncomfortable. Besides, when Shithead rocks my poop box, he usually ends up forcing me to wear this wig and costume that looks just like Liberace; Shithead says I'm crazy.

I scooted my ass away from the amateur proctologist. Sensing my discomfort, he stopped the fucking and started screaming.

"Goddamn it, your colon is going to

get stuffed," bellowed Shithead, "whether you like it or not! I promised the distributor anal on this tape. Now spread those cheeks before I pull out my .44 Magnum, blow you a new asshole and fuck it raw!" These were not the usual rough-sex bons mots; Shithead's voice sounded chillingly serious.

I stammered, "Di—distributor?" In response, my loving husband let loose a cruel cackle.

"Come on," he sneered, picking up the tempo of his twat strokes. "No human being could possibly be as dumb as you act. I sold our tape to a distributor and took half the profits. He requested a decent butt-fuck for the next volume. And you will comply." A loud click chilled me to Shithead's bone: He had cocked the hammer of his beloved Magnum! Instead of fearing for my sphincters, I now feared for my life.

Instinct took over my loins. I fucked like a floozie from one of Shithead's racey tunes, bumping and grinding upon his pork sword with reckless abandon. My only chance was to make him come fast enough to forget the rectum rooting.

The temperature of my cooch cranked up to sweltering, and I banged hard; harder than the aging publisher I banged

"...and they say blue-collar types don't have any style!"

A flurry of pinches followed. Her hands tweaked and tore at my skin, leaving red streaks that still haven't fully healed. My retaliation was increased pussy battery.

for my first major modeling gig; harder than the sitcom star I banged for my first television role. At the moment of Shithead's recognizable dick twitch, I wiggled from his grasp, flipped around to plant my lips on his love pump and slid a single finger up his ass.

"What the—*woah*," he huffed. Shithead erupted in a tart burst of jizz. He shot off so hard, I couldn't take the entire load...and I've gorged on major chum in my day. The sticky stuff dribbled from my chin; if my mouth hadn't been so full, I would have breathed a sigh of relief.

My little trick backfired when Shithead realized he was duped. Thanks to the fact that he couldn't get hard again, he forced me to the floor and raped me with the pistol. I will feel the metallic sting within my womb until my dying day.

Afterward, I dragged my violated body to the nursery and grabbed my son, threatening to leave. Shithead hit me several times; I'd rather not relive the details. Let's just say, I called the police, who were very helpful. I even kissed them on the cheek. Officers, if you're reading, sorry about the sperm that was still on my chin. Hey, Shithead...see you in court!

PINCH ME, I'M CREAMING

The other night, I was fucking my girlfriend when something unusual occurred: She pinched me. Hard! Now I'm a pinch addict. Do any other HUSTLER readers share this fetish for a two-fingered twist?

At first, Raylene and I seemed to have settled in for a pretty typical night of schtupping. That's not a bad thing; an average fuck from Raylene is like most girls on the wettest night of their lives. Raylene is tall and athletic, with a dark, exotic look and melons bigger than her head. I never tire of doing her, despite the fact that our rumpy pumpy falls into a rigid pattern.

First we take our clothes off and jump into bed. She yanks my crank to half-mast; I go down on her trim, tasty slice. We fall into a 69 position until Raylene cries for cock in her gash. Then we fuck like rabid bunnies until a simultaneous climax. Not a bad routine—but a routine, nonetheless.

This particular fuckfest had proceeded to step three—the suckling of Raylene's prodigious clit—when she reached for my shoulder and clenched the flesh

between her thumb and forefinger. I was surprised by the jolt of pain, but preoccupied by licking her thin labes.

Raylene was noticeably hotter than usual. Her quim oozed juice at an alarming rate; the further I forced my gifted tongue, the more she soaked my face in girl goo. I grabbed her big jugs with both hands, and Raylene's hips bucked hard enough to nearly throw me off.

That's when she pinched me again. The sting was impossible to ignore; I popped up from her bush and got in Raylene's face.

"Oww," I yelled. "That shit fucking hurts. You think that's funny?" Judging by the wicked grin on her pretty face, Raylene thought it was hilarious. The little tramp needed to be taught a lesson; I jumped ahead in our sex plan to the step where my joint tears open the deepest recesses of her red-hot hootch.

With one good push, I buried myself to the hilt in slick snatch. Raylene cried out, shocked that I didn't obey our gradual-entry policy. I cupped her plush butt and humped mightily, causing the bed to creak like a screaming bitch. Or maybe that was Raylene.

"I love it," she screeched. "I love your hard cock fucking me like a dirty slut!" It's been a long time since

Raylene got vocal in bed. The exhortations inspired me to lift the back of her leg, allowing me to slap her raised rump. In return, Raylene gave me a double titty twister—an agony I had previously only suffered at the hands of Gordon, the high-school bully. Good thing Raylene's a lot cuter than Gordon; I ended up beating the shit out of that guy.

A flurry of pinches followed. Her hands tweaked and tore at my skin, leaving red streaks that still haven't fully healed. My retaliation was increased pussy battery. The force of my ramming became so intense, Raylene wanted to stop before she passed out. I wouldn't let her.

"I'm going to come," she announced in a sweaty daze, "and then I'm going to lose consciousness. *Uungh!*" Her body quaked beneath me. Staying on for the ride wasn't easy.

I commanded, "Don't go under yet. You've still got to jerk my cum crayon and color your tits white." Having warned her of the oncoming explosion, I pulled out and mounted Raylene's belly. She jerked me with her last ounce of strength. As a reward, I slathered her boobies in liquid lust.

Now that we've added a playful

"Sorry I ended up fucking you in the ass, but you know how I hate to stop and ask directions."

"Not bad," she admitted somewhat reluctantly. "I mean, you're no Ron Jeremy, but there must be a good eight inches down here. Ever thought about acting?"

squeeze to our repertoire, Raylene and I are fucking more than ever. Of course, the scars attract a lot of attention from my friends and co-workers, but I usually pass off some bullshit story about burn marks from deep-frying homemade doughnuts. That girlfriend of mine will do in a pinch!

SCREEN LAY

Help me, HUSTLER! I'm a rabid porn fan and an aspiring writer. Last year, I submitted a script to one of the major manufacturers of adult videos. I met with their representative, an attractive redhead named Carla. She seemed to like me quite a bit. As a matter of fact, she introduced me to one of my on-screen idols, John Q. Public. He's the accomplished woodsman whose trademark is to always blow his load up the girl's left nostril.

I didn't hear anything back from Carla for several months. To wile away the time, I masturbated constantly—especially while watching tapes featuring my close, personal friend, John. One of his sleaziest stroke epics, titled *Anal Veterans*, featured a strangely familiar box cover. Upon closer inspection, I realized the damn thing was my movie, *Wham Bam, Thank You, 'Nam*, under a different name. The cocksuckers stole my script—and John Q. Public stole my credit! Enraged, I jumped into my Pinto and drove all the way to the San Fernando Valley, where I found a smug Carla lounging in her office.

"Listen, bitch," I railed. "I see that coke residue under your nose. My movie paid for that blow—and I want a piece of the fucking action!" Carla threw back her head and laughed.

"That's not cocaine, asshole," she guffawed. "It's crusty pecker snot. I just blew John Q. Public. And while I can't offer you any profits from your script—which was pretty fucking brilliant, by the way—I can offer you a hummer and a few porn tapes."

I contemplated her offer for a few seconds before replying, "Okay."

Carla dropped to her knees before me. Her low-cut blouse was open enough for a clear, aerial view of her impressive bosom. I was really turned on by the freckles that dotted her creamy mamscape. When Carla unzipped my fly, I was ready for action.

"Not bad," she admitted somewhat

reluctantly. "I mean, you're no Ron Jeremy, but there must be a good eight inches down here. Ever thought about acting?"

I grabbed the back of Carla's head and queried, "Could you please suck my dick now?" She dove for the head and tickled my asshole with her taste buds. Carla sported the kind of long, pointy cow tongue that makes for great head. This promised to be even more rewarding than the \$50 I was prepared to demand for my script.

Passionate slurps emanated from Carla's throat as she struggled to suck down every inch. I was hitting tonsil in no time. The deep-throat technique she employed seemed a little dated, in this porn fan's opinion, but I wasn't about to complain.

Once Carla seemed accustomed to my python, I slowly pulled back, then fucked forward. Her eyes grew wide with the realization that I intended to fuck her face. My hands were full of her fiery hair as I withdrew and entered again, this time a little bit faster. The tempo increased until I was bludgeoning her eater with no restraint.

"Gahh—mmf—grrrgle," Carla choked upon every thrust. Saliva dripped from her lips, making it easier to increase the

speed of uvula stabs. She grabbed my balls, mainly for ballast. The tug triggered my splash.

I roared, "Let's see John Q. Public do this," and yanked Carla's head to the side. With a clear shot at her ear canal, I unleashed spurts of scum into her teasing hearhole. After almost a gallon that must have reached her brain, Carla wobbled to her feet and ran to her desk.

"What an incredible gimmick," she panted, rifling through papers to find a contract form. "You come in the girl's ear! Vivacious Video must sign you up for an immediate, five-picture deal."

"I wouldn't sign that piece of shit if you were the last ripoff smut peddlers on Earth," I scoffed. "It's about a little thing called dignity. You screwed me royally, and now you want a pound of flesh—like the 16 ounces between my legs. Well, I speak for every porn fan in America when I say, *fuck you!*"

Carla responded, "What?"

Like I was saying, HUSTLER: Help! Got any editorial positions open?

Waxing on the Web

A SERVICE MANUAL FOR ONLINE HOOKUPS

BY TIM KENNEALLY • ILLUSTRATION BY ROY TOMPKINS

Michael has a big date tonight. After weeks of exchanging posts with Cindy on match.com, they are finally meeting face to face.

Cindy's online description sounds tantalizing: 5-9, slim, brown hair, green eyes, into jogging and Egyptian art. Michael's worried she won't measure up in the flesh.

They meet in the lobby of the municipal art museum. Cindy is more stunning than her cybermeasurements have suggested. She wears a short, black skirt that highlights her well-toned legs. Long, silky locks fall over a sheer blouse, exposing a teasing outline of cupcake breasts. Michael fights to keep his tongue in his mouth.

Later, after dinner and a movie, Michael runs his hand down Cindy's taut belly, pausing to finger her well-manicured trim. He stops his probing and laughs: "I was worried you were going to turn out to be a real dog."

Cindy spreads her labes and guides Michael's cock into her hungry box. "I had the same concerns," she replies. "This is working out better than my wildest dreams."

The two Internet lovebirds spend the next hour exploring each other's cyberfantasies made real.

Computers really do make the world easier, Michael thinks. He empties his load into Cindy's pussy. Thank God for technology.

Since the dawn of the '90s, the Internet has been championed as an informational tool of unparalleled power, linking people and commerce from around the world. It has also developed into an international meat market of unprecedented scope, creating a new mantra ringing out over the vast horizon of Cyberia: Boot up, log on, get busy.

The idea of scouring the Web and hitting on potential lays, your face illuminated by the indifferent glow of a computer monitor, might sound unnatural. An image of the computer nerd is firmly entrenched in our society, and plenty of pencil-necked hackers in

cyberspace give credence to the cliché. But cyberseduction is not the sole province of balding, horny trolls typing hopelessly into the void.

"Finding a woman online is really easy," enthuses Greg, a marketing executive from Southern California. "After my divorce, I found it hard to get out and meet people. I was a little down and still wounded. The Web was an easy way to jump-start back into the dating scene."

Numerous visits to matchmaking sites, such as match.com and 1stlove.com, helped Greg regain his confidence and established him as a modem Lothario.

He's curtailed his online wooing for now because his last computer-aided conquest developed into a serious relationship and is his current girlfriend. Still, Greg encourages his friends to reply to online personals and place their own: "Using the Web helped me with

women; so why can't it help my friends?"

"Using the Internet to meet women provides a previously untapped niche in the dating pool," asserts Tim Brady, director of marketing for Yahoo!, a Santa Clara, California-based Internet guide. "Not everyone likes the singles bars, and not everyone is outgoing. Many people are better at typing than they are at speaking. The Internet unleashes people who thrive in a virtual setting better than they would in any other environment. Love-connection chat rooms help in a lot of romances."

One major advantage of scoping out babes in cyberspace is anonymity. Aside from being a serious inhibition killer, the faceless forum of the Internet allows less-than-studly surfers to mold their first impressions around any aesthetic shortcomings.

Plenty of female lemons disguised as Porsches clog up lanes on the information superhighway. To separate the Caddies from the Edsels, read between the lines.

has a great personality," Greg explains. "He's 5-8 and kind of heavy; so he describes himself professionally and personally first. Describing yourself in chat rooms is like putting an ad out to sell your car. If the ride runs great, but has a few scratches, you don't advertise that the body needs a new coat of paint. You say how great the engine is under the hood."

Matt Schmidt, a sociologist specializing in science and technology, agrees that the tailoring of self-identity is a primary draw to online matchmaking sites. "The Internet allows us much more freedom to present ourselves in whatever way we want to. Using online hook-up centers creates a certain mobility and fluidity of self."

Deception is a two-way street. Plenty of female lemons disguised as Porsches clog up lanes on the information superhighway. To separate the Caddies from the Edsels, read between the lines. "Everybody lies," says Greg. "You have to be sharp about deciphering what's posted."

"If a woman leaves off her weight, she's fat. Also, whatever weight a chick lists, add five or ten pounds. No one ever mentions their divorce unless they have kids; *Great personality* usually means 'fat and ugly.' Any time a detailed personal description is not included, a woman is hiding something."

A common mistake made by online neophytes is being too forward when making time with a potential cybermate. The long-standing charm-and-disarm rule still holds. "Generally, you don't say, 'Who wants to suck my dick?' because most people aren't very responsive to that," notes Doug, a Bay Area architect. "People who are on the Net to find a date want someone with more creativity."

John Wallace, a 29-year-old technical writer, emphasizes that the cardinal rule of Internet trollop trolling is: Don't be a creep.

"It's pretty rare that you meet a girl who immediately wants to go down on you. It might be on her mind, but you have to go through a certain amount of protocol."

As in face-to-face courtship, there is always a danger of hooking up with a freak. Doug thought he'd hit pussy pay dirt when he struck up an online conversation with Emily, a Florida stripper. After some filthy posts and a few E-mail exchanges, the two swapped phone numbers.

"I decided it was a decent idea," Doug sighs. "We talked for an hour—no phone sex or anything—but she called me again two nights later, and this time she tells me that she's manic-depressive."

Despite the warning signs, Doug agreed to trade "something personal" with Emily and gave her his work address. "I was a novice," he admits. "I get to work the next day, and there's a box on my desk, sent FedEx priority overnight. The package must have cost \$50 to send. There were a bunch of pictures Emily took of herself and a clump of clipped pubic hair included as 'a token of our bond.'"

"That weekend, Emily called my house a dozen times," laments Doug. "She threatened to come to my office and cut off my balls if I didn't send her my own pubic hair. I stopped answering the phone for two weeks."

Yahoo!'s Brady, whose company served as the portal to Doug's nuisance, emphasizes that caution should be part and parcel of the online experience.

"Treat it like a telephone," Brady suggests from the company's headquarters. "Similar rules apply: If you're talking to somebody on the telephone, and you haven't met them, would you give that person your address?"

Keeping boundaries in mind, the Internet can be a rewarding singles scene. Technical writer Wallace is a frequent Web surfer and self-proclaimed "socially retarded geek" with a taste for B&D. A

veteran of countless failed and awkward real-world encounters in pickup palaces, Wallace's visits to bondage-oriented sites have resulted in several in-person ass-paddling sessions.

"I've never been very good at making connections with women," Wallace admits, "but online, you can practice being as charming as you want. The virtual games help me be more grounded when I'm out there in the actual-world, meat-market arena."

Patience in online dating is a virtue. "One in ten women, maybe, will return your call," says Greg. "You might have to answer 50 ads before you find the chick you like. I've had many dates where I was thinking, *Jesus, let me die in a car wreck or something.*"

Even so, Greg's current in-pussy status is evidence that the online effort can be fruitful. The only problem with his current Internet-procured squeeze is the 30-ish advertising professional's discomfort with admitting the origins of their relationship.

"My friends know how we met, but my girlfriend's shy about it," Greg explains. "She tells people we met on a blind date, which is kind of true. We just happened to be set up by our computers." 🐼

"I had a few drinks too many, and this nice lady offered me a ride home."

"I sympathize with the plight of the worker," explains languid heiress Pantera. "Not every peasant is as lucky as my dedicated staff. My handsome butler, James, is always on call for late-night rimjobs and fuckfests. Darla, the chambermaid, never complains when I soil the freshly washed sheets with jizz. Especially when she has the privilege of plunging a deluxe leather dildo into my cum-scented snatch. Everyone knows the key to happiness is finding a job you love. As for the rest of the working class—I say, let them eat cunt."

HUSTLER
Classic

REPORT BY KEVIN P. SIMONSON
ILLUSTRATION BY GARY PANTER

In 1971, Hunter S. Thompson set off for Las Vegas armed with a keen sense of the absurd and a plentiful cache of drugs. The resultant book, *Fear and Loathing in Las Vegas*, is a classic in the literature of depravity. Nearly three decades after publication, Thompson's demented masterpiece is finally making it to the big screen. Join the doctor of gonzo journalism as he ponders movie-biz ironies with explosions and cautionary words at his Aspen, Colorado, fortress.

FEAR AND LOATHING IN HOLLYWOOD

A STRANGE AND TERRIBLE SAGA OF GUNS, DRUGS AND HUNTER S. THOMPSON

GARY PANTER

Thompson

Many lesser revelers who fall under Thompson's spell feel compelled to keep up with him toke for toke, drink for drink and line for line.

Hunter S. Thompson lives in a hidden fortress several miles outside Aspen, Colorado. Beyond the bumpy, rock-strewn driveway is a pair of giant, gnarled poles flanked by demon vultures crafted of rusting metal. At night the eyes glow red as Tabasco, following a visitor's every move. A Bowie knife the size of a meat loaf protrudes from the rustic frame of the house's side door. A few inches away, a bullet hole pierces a thick windowpane.

"I had a couple of handymen doing some work on the porch," explains Thompson, the man credited with forming gonzo journalism—a style of reporting in which the writer becomes a part of the story. "I snuck up behind them and shot off a couple of rounds between them and through the window. Scared the bejesus out of them."

Inside the main house of Owl Farm—as Thompson calls his property—the kitchen walls are covered with 30 years' of gonzo memorabilia: an uncashed ten-dollar check from Carl Woodward, a rubber Nixon mask, dozens of newspaper articles and Scotch-taped notes. A machine gun sits against the side of a large-screen TV. Thompson, a self-described news junkie, usually has the set tuned to CNN or a sporting event.

Thompson's refrigerator is adorned with black-and-white photos of him and Bill Murray riding in a high-power motor boat. In the photos, Murray is pasty, bloated and barely recognizable.

Murray and Thompson were roommates for a brief period prior to the filming of 1980's *Where the Buffalo Roam*, a fictionalized film version of Thompson's life as a gonzo journalist. Murray, who played the self-titled Good Doctor, signed on for gonzo boot camp, and Thompson became the actor's mentor and drill sergeant. Many lesser revelers who fall under Thompson's spell feel compelled to keep up with him toke for toke, drink for drink and line for line.

The time spent with Thompson took its toll on both Murray and *Where the Buffalo Roam*. Murray's new persona reportedly alienated him from his cohorts on *Saturday Night Live*, and the movie was universally panned—even by Thompson.

"He did a good job," Thompson says of Murray's acting, "but it's a silly film—a cartoon. The studio paid me to write new beginnings and endings, but it was a bad script. You couldn't cure it."

Perhaps this summer the pictures of Murray and Thompson will be replaced by new ones. Hunter's perennial cigarette holder has been passed on to

Johnny Depp, who will play Raoul Duke, Thompson's alter ego, in the upcoming film version of *Fear and Loathing in Las Vegas*.

The movie also stars *The Usual Suspects'* Benicio Del Toro as Thompson's partner in crime, mammoth Samoan lawyer Oscar Zeta Acosta. The remainder of the cast includes Gary Busey, Christina Ricci and Tobey Maguire. The film is slated for an early-summer release.

For the uninitiated, *Fear and Loathing in Las Vegas* details Thompson's drunken, drug-addled adventures in Las Vegas while covering an off-road motorcycle race and concurrent law-enforcement convention. The book is on many reading lists in college classrooms throughout the country. Signed first editions can fetch up to \$2,500.

Random House marked the novel's 25th anniversary with a Modern Library Edition, the literary equivalent of an Academy Award. Hunter S. Thompson can now boast that his peers include fellow hard-drinking scholars William Faulkner and Ernest Hemingway.

The 25th anniversary of *Fear and Loathing's* release was celebrated in a different manner by the author himself. Thompson invited his professional sidekick, artist Ralph Steadman, and a few select others to Owl Farm. There, in Thompson's sprawling backyard, the revelers strapped a propane tank and exploding target to an idling John Deere tractor. Straddling the tractor was a voluptuous blow-up doll.

"Hunter took aim and shot it," recalls Steadman, a well-mannered Brit who has illustrated many of Thompson's books in his scrawling, nightmarish style. "Boom! The whole lot went up like an H bomb. We got it all on film."

"It's wonderful to watch in slow motion—the screen goes white when this propelling gas goes up. The explosion was an amazing thing, and this was his celebration party piece."

Life hasn't always been a cabaret with guns and explosions for Thompson. In the early '70s, he lived on the road and traveled the Western hemisphere as a correspondent for such diverse publications as *Time*, *Scanlan's Monthly*, the *New York Herald Tribune* and a bowling tabloid in Puerto Rico. On the rare occasions he found himself at home, Thompson served as night manager for the infamous Mitchell Brother's O'Farrell Theatre, a porn emporium in San Francisco.

SEA COOZE

PHOTOGRAPHY BY MATTI KLATT

"The oceanographers at Woods Hole are a bunch of male-chauvinist pigs," gripes budding marine biologist Lisa. "They refuse to take me seriously just because I'm beautiful. When we met after his lecture on the hermit clam, Professor Tuttle couldn't wait to fondle my ass and sink his fingers inside my tuna corral, but when I asked to join the research expedition, he just laughed at me."

Lisa wiggles her toes in the sand. "Will I ever find a man who can accept a woman with a tight box, firm ass *and* a brilliant mind?"

Thompson

Today, \$5.99 all-you-can-eat prime-rib dinners are in abundance on Vegas's main drags. In Thompson's world, buffets consisted of cocaine, grapefruits and Wild Turkey.

Thompson and Steadman were first paired to cover the Kentucky Derby for *Scanlan's*, a doomed sports magazine. From that point on, things got weird.

"I think the whole thing with the friendship is that there's a certain chemistry—it's like chalk and cheese," says Steadman. "He has a way of inspiring loyalty in me, even though I sometimes hate him for it."

The odd couple were next sent to Newport, Rhode Island, to cover the America's Cup. At the world's most prestigious regatta, Thompson and Steadman made an ill-fated attempt to spray-paint the words FUCK THE POPE on the side of one of the competing yachts. They were run from the event when a security guard heard the *clack* of the spray-paint can as the two rowed between the multimillion-dollar boats.

Steadman calls the trip a dress rehearsal for the Vegas book: "It's how *Fear and Loathing in Las Vegas* came about. I've hated boats ever since."

Several years later, *Hell's Angels*, a candid examination of America's infamous motorcycle gang, hit bookstores, and Thompson's role as demented observer of America's seedy underbelly was cast. He next set his sights on another corrupt and blighted institution: Las Vegas.

"So we have a parcel of drugs in the trunk of the car and take off for Las Vegas," says Steadman in his best Thompson imitation—an octave or two below Tom Waits.

Fear and Loathing in Las Vegas, first serialized in *Rolling Stone*, became an overnight success. Talk of adapting Thompson's twisted comic masterpiece began soon after and continued for more than 25 years.

Martin Scorsese, who wanted to direct Jack Nicholson in the main role, was the first to tackle *Fear and Loathing*. He failed. John Belushi and Dan Aykroyd were also unable to get anywhere with the project in 1975. According to Thompson, others who have expressed interest include Larry McMurtry, David Lynch and Dennis Hopper.

The copious drug use and nefarious business in the book have always been sticking points for the successful production of a film version. Picture Jerry Lewis and Dean Martin wearing tan polyester, inhaling ether and harassing tourists. Today, \$5.99 all-you-can-eat prime-rib dinners are in abundance on Vegas's main drags. In Thompson's world, buffets consisted of cocaine, grapefruits and Wild Turkey.

"There was a time when you couldn't

do anything in movies about drugs," says Thompson. "This is the time in Hollywood to do just that—because it's been so repressive.

"Besides, I enjoy drugs. Coffee's a drug, aspirin's a drug.... It's all a matter of how much. Too much of any drug can make you act like a beast."

Six years ago, producer Steve Nemeth made it his mission to battle Hollywood's censors and bring *Fear and Loathing in Las Vegas* to the screen. Allied with Rhino Records' fledgling film division, the producer acquired the book's film rights from *Blade Runner* director Ridley Scott's production company after Scott gave the movie the ax.

An unforeseen problem developed. It was determined that one of Thompson's ex-girlfriends, Laila Nabulsi, actually owned the movie rights. According to one of Thompson's former assistants (Thompson's life is plagued with ex's of one sort or another), the writer had granted Nabulsi the rights scribbled on a cocktail napkin.

Legalities were eventually settled. Nemeth is producing the film along with Nabulsi and Patrick Cassavetti. Their first challenge was marketing the project in a form that would convince talent to sign on and, eventually, fill theaters.

"Because *Fear and Loathing* has been one of the bestsellers on college campuses, people who were in school 25 years ago up through today will come and see it," says Nemeth. "It can be viewed as a horror movie because it's so creepy and scary. The film's also a satire on American culture; so it's a comedy."

Like any good Hunter S. Thompson story, the saga of bringing *Fear and Loathing* to the screen is a convoluted and twisted tale.

A film script of the book has floated around Hollywood for many years, and dozens of screenwriters have taken a crack at the adaptation. According to director Terry Gilliam, who cowrote the final draft of the script with Tony Grisoni, the most challenging aspect of penning the screenplay was "trying to get an admission from the Writer's Guild of America that we had adapted it." It is still the subject of a heated debate among several writers over who will be credited with authorship.

The practice of rewriting scripts over and over, a golden rule in the film industry, doesn't sit well with Thompson. "*Fear and Loathing* is a masterwork," Hunter says. "True gonzo journalism, as I conceive it, shouldn't be rewritten.

was no ending in the book. I had to get the second half of the magazine thing in. The deadline came; I had to wind it up in the Denver airport."

The next ordeal came with the selection of a director. Alex Cox, of *Sid and Nancy* fame, was originally slated to bring the nightmare commentary on American culture to the screen. However, a few months before filming began, Cox and his version of the script were unceremoniously dumped, and former Monty Python star Terry Gilliam took over.

Rumors vary, but insiders say leading man Depp and Cox butted heads over the director's script and his take on Raoul Duke. Before Cox left, he made ominous comments on the potential success of the film: "[*Fear and Loathing*] can't be a mainstream movie because it's so countercultural and demented."

New director Gilliam seems the perfect replacement. His own legacy of dementia includes *Time Bandits*, *Brazil*, *The Fisher King* and *12 Monkeys*. His revamped vision proved more in sync with the assembled cast, especially the man hired to portray Thompson.

"Johnny Depp held a loaded gun to my head and threatened my children," recounts Gilliam. "He said that he would

not shoot me if I didn't do the film. He was never very good when it came to issuing threats."

Gilliam's screenplay even drew grudging acceptance from *Fear and Loathing's* author. "The new script isn't bad," admits Thompson.

With shaved head, Depp is a spitting image of a young Hunter S. Thompson. Prior to filming, the 34-year-old actor spent several weeks with Raoul Duke, studying his mannerisms. They relaxed at Owl Farm and were spotted at several of Thompson's book signings.

Principal photography for *Fear and Loathing in Las Vegas* began last August 2nd in Los Angeles. The cast soon moved to Las Vegas for three weeks of filming at the Stardust, Riviera and Binion's Casino. During the Vegas shoot and the following five-week stint back in L.A., a strict closed-set policy was enforced.

While a closed set is not uncommon for Hollywood productions, Gilliam made it clear that the film's producers were also unwelcome.

"Isn't it amazing?" questions producer Nemeth. "It's a movie about a gonzo journalist who wouldn't take no for an answer, and who'll infiltrate any-

thing to get his story. In the true spirit of Hunter Thompson, you'd have thought we'd bend over backward to make it work for the people who care."

Despite the secrecy and a budget that ballooned from an originally estimated \$6 million to more than \$20 million, Nemeth is excited about the end result: "[*Fear and Loathing*] is going to be one of those anomalies that will have crossover appeal because it's recognized as one of the great pieces of American literature in the 20th century."

Despite *Fear and Loathing's* imminent release, legal problems—including a recent drunk-driving incident and a distant sexual-harassment suit—and drunken, incomprehensible book readings have prompted whispers of Thompson's demise.

"A lot of people say he's finished," says Ralph Steadman. "But some of these naysayers have never been anywhere near as good as Thompson. They use his phrases and adapt his style—the *Fear and Loathing* language. There's still a lot there, it just comes in bursts."

Thompson is accustomed to negative press. He was the inspiration for Gary Trudeau's perpetually stoned Duke in *Doonesbury*, and David Letterman banned him from the *Late Show* because Thompson threatened "to bring four huge thugs over there" and shave Letterman's head on camera after being bumped from a taping.

"This vilification by Nazi elements within the media has not only given me a fierce joy to continue my work, but has also made me profoundly orgasmic, mysteriously rich and constantly at war with those vengeful, retro-fascist elements of the Establishment that have hounded me all my life," Thompson babbles with paranoid optimism. "It has made me wise, shrewd and crazy on a level understood by those who have been there."

Back at Owl Farm, Thompson will continue to raise peacocks and dobermans. He will continue to bike down the road to the Woody Creek Tavern for his meals. He will rarely answer his phone and continue to terrorize visitors to his home.

A contented recluse, Thompson's privacy will be invaded with a barrage of requests for magazine and television interviews because of the long-awaited release of *Fear and Loathing in Las Vegas* on the big screen.

He will grant only a few: "I guess HUSTLER's okay for an article. Who knows? Not me—I'm just a country boy." 🐔

HUSTLER HUMOR

John and Mary had been going out for two years. John was an affectionate boyfriend, but had never once attempted sexual intercourse with his lady.

One night after receiving a chaste good-night kiss from her beloved, Mary asked, "John, honey, why have you never made love to me?"

John lay back on the pillow and sighed.

"This may sound funny," John explained, "but when I was a little boy, my mother told me that a girl's pussy had teeth inside it that would bite my dick off if I fucked her."

Mary caressed her lover's arm. "I'll show you there's nothing to be afraid of."

She folded back the covers, pulled down her panties and spread her legs. "See," Mary said softly, "it doesn't have any teeth."

John recoiled in horror.

"With gums like that, I'm not surprised!"

Question: Why did the fag wear a nicotine patch on his dick?

Answer: He wanted to get down to three butts a day.

Walking along a cliff overlooking the ocean, a man encountered a young boy seated on a picnic blanket, weeping uncontrollably.

"What's the matter, son?" the passerby inquired.

"My parents took me on a picnic. They started arguing. My daddy pushed my mommy. She pushed him back, then they both fell over the cliff. Daddy landed on the rocks and died. Mommy drowned in the undertow."

The man unzipped his trousers and removed his cock.

"This just isn't your day, is it?" he said.

A newly married man returned home from work to find his young wife sprawled naked on the couch.

"What's for dinner?" he asked.

"Pussy," she growled demurely.

"Damn," her husband replied absently. "That's what I had for lunch."

Charlie and his wife were driving in the country when Charlie saw a sign in front of an old farm that read: COW FOR SALE \$5,000.

Intrigued, Charlie pulled into the barnyard.

"There is no cow in the world worth \$5,000," he told the old dairy farmer.

"Bessie ain't no ordinary cow," the farmer said, lifting the bovine's tail. "She was blessed with a snatch just like a woman's."

Charlie stomped back to the car.

"What's the matter?" his wife asked.

"It's not fair," Charlie fumed. "That farmer has a cow with a woman's snatch worth \$5,000. You're a woman with a snatch like a cow, and you're not worth shit!"

The HUSTLER Dictionary defines *dry Martinez* as: a Mexican with a vasectomy.

A homely nun was walking along the road to the convent when a man jumped out from behind the bushes and raped her.

"Well," her attacker seethed after brutally ravishing the saintly woman, "what are you going to tell the holy father now?"

"I must tell the truth," the sister said. "I'll say that I was walking home when a man jumped out from the bushes and raped me twice." The nun paused. "Unless, of course, you're tired."

Question: Why is President Clinton so excited about bombing Iraq?

Answer: It involves attacking abroad.

At the end of her freshman year, Allison returned home from college for the weekend with an awkward confession for her mother.

"I guess I should tell you that I lost my virginity last Friday night," Allison blurted out during dinner.

"I had a feeling you'd tell me something like this soon, Allison," her mother answered bravely. "I hope at least it was romantic and pleasurable."

"Well, yes and no," her daughter replied. "The first eight guys were, but after that, my pussy felt a little sore."

SEX CITIES USA

AMERICA'S TOP TEN CITIES SELLING SEX

REPORT BY LARRY WICHMAN
ILLUSTRATION BY THE PIZZ

Sex is everywhere in America: on TV, in the White House and, despite the killjoy efforts of politicians and vice cops, for sale on your own city streets. A blowjob in Honolulu; anal in Anchorage; a quickie in Orlando; HUSTLER provides the do's and don'ts and where's and how's to keep a budget-minded fucker in pussy and out of jail.

DALLAS

ORLANDO

Cities

In a treasured few metropolitan areas of America, business thrives, and a cadre of educated consumers laughs all the way to the blowjob, enjoying \$30 head from strumpets as alluring as any \$300 callgirl.

Cruising hookers on a Friday night is as American as drunk driving and street pizza. Yet, sadly, leeching the local floozies is a part of erotic Americana that has seen better days.

Daunted by the fear of AIDS and arrest, millions of would-be johns have abandoned whoring in recent years. In many U.S. cities, the quality and quantity of curbside sex peddlers has plummeted as a consequence. In a treasured few metropolitan areas of America, however, business still thrives, and a cadre of educated consumers laughs all the way to the blowjob, enjoying \$30 head from strumpets as alluring as any \$300 callgirl.

The trick to finding bargain bimbos is knowing where to look and what to look for—and what to look out for. Today's clever john practices smart whoring, taking the menace out of getting laid by adhering to the following set of guidelines:

*Always let a girl approach you first. Pull up to the curb, and let the prospective lay walk to you—don't call her over. If the floozie's a cop or decoy, she needs you to make the first move, or she's guilty of entrapment.

*Leave your valuables at home or locked in the trunk. If you put your wallet under the seat or leave cash in your pocket, a wily whore can easily grab your loot

while distracting you with a blowjob.

*When using a motel, don't pay the girl until you're in the room. If you allow a hooker to leave the car with your money in her possession, you will never see her—or your dough—again.

*If using a vehicle, make sure no one is sitting in a parked car nearby and that you have not been followed. The girl could be setting you up to be ripped off, or the police may have staked out the area, knowing that it's used by hookers.

*Always use a condom. There's no better protection against STDs, such as clap, herpes and AIDS. In fact, bring your own. If you want head, pack some dry ones—most girls hate the taste of lubricated condoms.

*Surf the Web. Cyberspace is alive with a new breed of whoring hobbyist who understands that street sex has never been a bigger bargain. To help one another avoid ripoffs and busts, johns post details of recent encounters on hooker-related Internet news groups, such as alt.sex.prostitution, and on information Web sites. Start with the World Sex Guide (www.paranoia.com/faq/prostitution).

This invaluable cautionary advice can mean the difference between success and failure on a mission to buy sex on the following public streets of America.

1. HONOLULU, HAWAII—Honolulu, Hawaii, is a whoremonger's wet dream. Thanks to a never-ending supply of free-spending Japanese tourists and horny U.S. military personnel—and a seeming no-bust policy practiced by local police—this tropical paradise attracts the finest, youngest streetwalkers in America.

The street: Action centers around a large, one-block area in the heart of Waikiki, bordered to the north and south by the two main thoroughfares of Kalakaua and Kuhio Avenues and on either end by Nohonani and Kanekapolei Streets. The finest hotels on Waikiki Beach are a block away, and the Waikiki police station lies just across the street—but so long as these girls ply their trade without overtly robbing foreign tourists, they appear to be free to peddle flesh at will.

Along the track, cruising is most easily done on foot, with the action continuing seven days a week from 8:30 p.m. until dawn. In a word, these streetwalkers are *unfuckin' real*, both in looks and attitude. Blondes, brunettes, redheads, Asians: They're all here, sometimes up to 20 deep on each corner.

The average cost on an average night: \$50 for an in-car blowjob, \$100 to \$150 for a straight lay back at your hotel. Be careful not to appear too much the tourist, or the girls might gouge you for \$300.

If these prices are too steep, try the Hotel Street area of downtown Honolulu, where \$30 will get you a blowjob and \$50 will get you laid. The track here is bordered by Beretania and King Streets, River Street and Nuuanu Avenue. Though these hookers may not be as classy, the area has a historic reputation as a red-light district dating back to Hawaii's whaling days.

The cops: Their main function is apparently to guard the girls and the tourists, not to arrest. During a recent incident cited on the Internet news group alt.sex.prostitution (ASP), a cop allegedly arrested a drunk who was harassing a working girl and didn't say a word to the whore.

The scams: If the girl looks too good to be true, and the price sounds too low to be true, beware—chances are, she'll try to jack up the rate once alone with you in the room.

2. SAN FRANCISCO, CALIFORNIA—Among the most liberal cities in America, San Francisco boasts a wide-open commercial sex trade that includes the prettiest and friendliest population of streetwalkers to be found in the continental United States.

LUST FACTORY

Cities

Most Vegas tarts are on the up and up. "There are few do's and don'ts," advises Tessa, "besides watching your wallet when you get the girl to your room."

(continued from page 88)

The street: The city's most active commercial sex zone, known as the Tenderloin, runs the lengths of Post and O'Farrell Streets, from Polk Street on the west to Powell on the east. For a glam tart, head east along O'Farrell toward Powell; for a truly fine piece of tail, travel Powell down to Union Square.

"Keep going toward where the nice hotels are downtown, and it gets better and better," explains Dave Patrick, editor of the *Spectator*, the Bay Area's weekly sex-news tabloid. "These women are pretty amazing to be out on the street."

Action here centers around the Saint Francis Hotel where, according to a recently retired hooker named Sherry, "you find the kind of sophisticated whore a john can take back to his room." Or you can take her to a secluded side street in your car. Either way, a blowjob runs \$30 to \$50, a half-and-half is \$80 to \$100 and anal, \$120. Prices drop considerably the farther you get from Union Square.

The cops: Although new Mayor Willie Brown temporarily cleaned up the streets in mid-1997, just prior to hosting a national mayor's conference, the SFPD rarely gives street prostitution a high priority. "We'd get picked up all the time, but it was no big deal," recalls Sherry. "They'd take us to the station, then we'd

all catch a cab back. It was like a joke."

The scams: If there is such a thing as an honorable whore, she's likely to be found in San Francisco. Still, don't let your guard down.

3. LAS VEGAS, NEVADA—The vice cops make a show of busting working girls in Las Vegas, but they have better PR skills than to frequently bust the gamblers who rent them. In fact, Nevada—Las Vegas in particular—provides one of the most hooker-friendly environs in the country.

The street: Although whorehouse prostitution is legal throughout much of Nevada, it is not legal in Vegas's Clark County. As a result, police crack down hard on high-visibility whores working the seedier parts of town along North Las Vegas Boulevard. The ones they don't touch are the casino-lounge girls, a brand of upscale harlot that can be found subtly peddling tail in high-class hotel/casino bars up and down the strip.

"Go to Cleopatra's Barge at Caesars, or to Bally's, MGM or Treasure Island," explains Tessa, a well-heeled professional girl with firsthand knowledge of the Vegas scene. "You can pick the girls out from 11 o'clock on. In fact, you can tell which are the working girls because they're the only ones at the bar not playing video poker."

As you might expect, the cost of such high-price spread is through the roof. On slow nights, you may be able to negotiate a \$200 quickie if you have a room upstairs. In fact, most girls will only go with guests staying at that hotel. The swankier the hotel, the higher the asking price.

The cops: Vegas whores tend to be overly cautious due to the regularity of sting operations. Yet, according to Tessa, the cops steer clear of busting johns. "High rollers come to Vegas to gamble and to have sex," she explains. "Police know it's not in their best interest to bust the public. They don't want to do anything that would make a gambler not want to come back."

The scams: Most Vegas tarts are on the up and up. "There are few do's and don'ts," advises Tessa, "besides watching your wallet when you get the girl to your room."

4. ANCHORAGE, ALASKA—The winters are long and hard in our 49th state, making it a very short season for Alaskan streetwalkers. Nonetheless, during summers in Anchorage, prostitution flourishes. Hookers from across the U.S. flock to this wilderness outpost, attracted by an abundance of outdoor sportsmen and fishermen with four months' worth of wages in their pockets.

The street: Prices in Anchorage depend on the quality of the companion and the area of town you are cruising. The girls' ages range from the late-teens upward, the majority being white and Asian, with some blacks and natives. With the average whore, prices run a minimum of \$30 to \$50 for a blowjob, \$50 to \$100 for a quick-stay in-and-out. Find a girl who's a ten, and you'll pay at least \$200.

The best tarts in Anchorage are found working the track along Spenard Road, from Fireweed on the north to International Airport Road on the South, with the action centered just south of Minnesota Drive. There is also an active and attractive scene downtown along 4th Avenue, from C Street on the west to Gambell Street on the east and along 5th, coming back the other way. Lower-priced spreads can be found on an equally active track farther down Gambell Street between 12th and 14th.

The cops: Although the Spenard Road track is safe from all but the occasional Friday-night neighborhood-watch group, police are very active in the downtown area of Anchorage.

The scams: Normal precautions should suffice.

Because they have their own cars, the Texan trollops have an easy means of escaping with your money—especially if their girlfriend is waiting behind the wheel.

(continued from page 98)

5. DALLAS, TEXAS—Leave it to the decadent denizens of Dallas to come up with a unique marketing twist for the world's oldest profession: Here, the whores cruise the streets in cars, looking for the johns!

The street: Look for these mobile ladies of the evening along Harry Hines Boulevard between Walnut Hill and Loop 635. During this track's heyday five years ago, it wasn't uncommon to find 20 to 50 whores camped out on the hoods of their parked cars hooting and hollering at the honking johns. Today, the hooting and hollering is done through rolled-down windows between midnight and 4 a.m. The girls, most of whom remain surprisingly stunning, cruise side by side with prospective tricks.

Prices range from \$40 to \$50 for an in-car blowjob to \$100 for straight sex. With one of the finer specimens, a half-and-half at a nearby hotel can cost up to \$200, including room charge. For a budget fuck, head to a nearby adult-book store/video store, and rent a booth for \$10.

The cops: The vice squad is fairly active on Harry Hines, particularly on Sunday and Monday nights and during the early evening on Friday and Saturday. Police rarely harass johns, but according to postings on ASP, gentlemen caught

with their pants down face possible charges of public indecency.

The scams: Because they have their own cars, the Texan trollops have an easy means of escaping with your money—especially if their girlfriend is waiting behind the wheel. Use caution and good judgment, and never let a girl exit your car prematurely with the money.

6. ATLANTIC CITY, NEW JERSEY—Like its Western sister city of sin, Las Vegas, Atlantic City offers its high-rolling visitors all the erotic amenities of a gambling town—but without the glitz.

The street: The street action, according to Sherry, who worked the track here twice during the past five years, takes place up and down Pacific Avenue, which parallels the Boardwalk, one block in from the beach. "The girls are good-looking because there's plenty of money to be made," says the well-traveled ex-tart.

The best spot to find high-class hookers is a block down from Caesars Atlantic City, where the curbs are lined with ten to 20 girls on any given weekend night (the selection thins weeknights and during the winter off-season). The action begins after 11 p.m., with cruising done via car, cab, limo and walk-up. In the latter case, most

girls will gladly meet you up in your room.

Prices range from \$50 for an in-car blowjob to \$100 for a short-stay in-and-out. For a quality hooker, be prepared to spend \$200. The tab runs even higher for the sophisticated strumpets who work the casino lounge areas, where a \$350 half-and-half is not unheard of.

The cops: "I never had any hassles with the police," says Sherry. "As long as we didn't stand in front of the casinos, they left the girls and the johns alone."

The scams: Make sure you know what you're bargaining for: Some girls will agree to go back to your room for \$100 and, once there, try to charge extra for anything more than a handjob.

7. LOS ANGELES, CALIFORNIA—Hollywood has a long-standing reputation as a mecca for young, would-be actresses and teenage runaways who, their dreams dashed, wind up peddling flesh curbside on Sunset Boulevard. Some things never change.

The street: The traditional Hollywood track runs the length of Sunset from Vine Street west to La Brea. The 1.5-mile stretch has offered everything from Latinas to blacks to young, white, blond bimbos. Lately, the street action has been pushed south to Santa Monica Boulevard east of La Brea, but be careful. The real women are mixed in with enterprising transsexuals, which can make for embarrassing misunderstandings.

From time to time, you will also find isolated independents—generally white, young and dressed somewhat more conservatively—along stretches of Highland Avenue north of Sunset and, during the wee hours, along Hollywood Boulevard from La Brea to Vine. Though admittedly rare, these after-hours hookers are among the best in the city.

Like everything else in L.A., almost all dating is done in a car. You pick up the girl, work out the terms of the deal and drive to a nearby residential side street. A few whores have rooms in nearby motels, but most also have pimps; so going back to their place can be risky.

Prices vary, depending upon the quality of the girl and your skills at negotiation. In-car blowjobs will run \$30 to \$50, with a half-and-half averaging \$80 to \$100. Anything more than \$120, and you're paying too much.

The cops: The LAPD continually attempts to keep street prostitution in check through periodic sweeps and crack-downs. They're not afraid to go after johns (just ask Hugh Grant and Eddie

Flash for Cash!

Attention, ladies! Are you an amateur nudist over 18 years of age? The 1998 *Beaver Hunt* Grand Prize Competition is looking for you! Snap a clear, color picture and mail it to **HUSTLER *Beaver Hunt***, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. Fill out the model release below, and include a photocopy of (1) a photo ID and (2) another form of ID. All photos become the unreturnable property of HUSTLER Magazine.

Fancy is a dancer from Detroit, Michigan. The dreamy 21-year-old likes shooting pool and hopes to have a threeway with a guy and girl "up against a tree in the forest during a thunderstorm." This scintillating young snatch is more than fancy, she's downright deluxe.

Photo by Friend

Leticia is a 21-year-old caretaker from Simi Valley, California. The limber young lady is fond of basketball, dancing and sex. Open-minded Leticia laps up the idea of "mad, sensual sex" with another woman on the beach. There's nothing wrong with consensual clam digging between grown-ups.

Candi is a heavenly morsel from Chicago, Illinois. A vivacious, 20-year-old college freshman, Candi enjoys working out and dreams of making a porn film with another woman "while a roomful of people watch." Indulge yourselves, ladies; eating Candi won't make you fat.

Patriotic pulchritude makes America strong. Charlie is a citizen of Chicago, Illinois, who digs shopping, dancing and horseback riding. The horny, 27-year-old housewife dreams of lying nude "on the white-sand beaches of Thailand and having sex...beneath a waterfall." Would you settle for a quick fuck in an abandoned lot near Lake Michigan, Charlie?

Photo by Husband

Velvet of Toronto, Ontario, gives new meaning to the term *dirty picture*. The 23-year-old wife and mother delights in giving exotic massages and fantasizing about playing Twister in the nude. Better hose off first, Velvet.

Photo by Husband

Libby is an Auburndale, Florida, native and an aspiring zoologist. This bountiful 21-year-old hood ornament dreams of making love under a waterfall and being "attacked by an aggressive woman." Libby does look more like a lover than a fighter.

Photo by Husband

Detroit, Michigan's Lisa displays the finest pair of headlights in the Motor City. The 26-year-old dancer and animal lover spends her leisure time "spoiling her three cats" and fantasizing about "young, hardbodied boys." We're glad you're not a dog person, Lisa.

Photo by Friend

Adult dancer Misty demonstrates the talents that have made her the toast of West Palm Beach, Florida. The 33-year-old show-biz veteran fantasizes about having an orgy with her husband and "Kasha and Janine, two of my favorite porn stars." Marriage don't mean a thing if it ain't got some swing.

Photo by Husband

Robust outdoorswoman Tonya of Aspen, Colorado, worships nature in her own unique fashion. The 34-year-old small-business owner snowboards, backpacks and travels in her free time. Tonya also fantasizes about sucking cock outdoors. That's one way to survive when you're lost in the wilderness.

Photo by Friend

Jenny, a waitress from Detroit, Michigan, is a Beaver of few words. The 21-year-old tattooed love doll has given HUSTLER readers no descriptions of her hobbies, fetishes or fantasies. Could they have something to do with riding bareback?

Photo by Friend

Fiero of Van Nuys, California, is a woman of simple needs. The 27-year-old dancer's only requirements for happiness are "sex, sucking dick, eating pussy and sex." Fiery Fiero hopes to experience her boyfriend screwing her ass while her girlfriend devours her pussy. Studies show, girls enjoy life when eaten out more often.

Photo by Friend

Ahoy, mates! Lissa is a massage therapist from Las Vegas, Nevada. Lissa lives to pump iron, cook gourmet meals and give massages. This voluptuous 31-year-old's naughty nautical attire is enough to make any red-blooded male cry, "Man over board!"
Photo by Friend

Luna of Pittsburgh, Pennsylvania, is a 31-year-old house sitter whose hobbies include "vibrators and girlie magazines." Luscious Luna dreams of walking into a convenience store "totally nude and acting like nothing is amiss." Go for it, Luna. Maybe they'll give you a free corn dog and a Slurpee.
Photo by Friend

Kimmi is a model and nightclub promoter in glitzy Cleveland, Ohio. In addition to horses and the outdoors, 33-year-old Kimmi likes getting together with two of her favorite guys, "one right after the other." Take a number, gentlemen.
Photo by Friend

Brittany from Houston, Texas, exposes the natural beauty hidden in America's public-parks system. The 24-year-old housewife and mother reveals that her first sexual fantasy "has been fulfilled by my husband and a good friend, but we're still working on the others." Inventing new uses for dick is the toughest job you'll ever love, Brittany.
Photo by Husband

Sheila of Raleigh, North Carolina, maintains two demanding careers as a surgical technologist and exotic dancer. In between sterilizing scalpels and gyrating in strip clubs, 25-year-old Sheila enjoys "dancing topless and painting landscapes." Who says an artist needs to suffer in order to create?
Photo by Boyfriend

Tara of Detroit, Michigan, spends her spare time breeding Siberian huskies. The hopelessly romantic 29-year-old dreams of "parking on a back road, lying in the back of my Dodge pickup and taking it from behind." That wouldn't happen to be a dirt road, would it, Tara?

TAREN STEELE
FROM RAINWOMAN 12

Rainwoman 7: Private dick Mike Horner follows a soaked trail! Danyel Cheeks can't nuzzle houseboy Steve enough with her big jugs and tight box. Full-figured Kylie Ireland table-dances, teases, then pleases Horner with a hot b.j. Fallon squirts a wet gusher on hubby. Lili Xene settles into p-spot masturbation and sprinkles love. Bronca puts Sarah-Jane through her paces with slippery oil, anal beads, and a blindfold. Don't miss exotic beauty Kitty Yung, masturbating on a crinkly black leather couch or riding a hard-on.

Rainwoman 8: When Asian babe Kitty Yung squirts on Mike Horner, he's smitten for life! Blonde beauty Kylie Ireland helps him forget with ball-drawing fellatio and a muff-filled ride! Bent over and blindfolded, Sarah-Jane Hamilton pours her womanly cum over Bronca's gloved hand! And after a deep-pumping ride from bushy Danyel Cheeks, Mike finds Kitty cumming in a gushing torrent for Steve Drake's tongue-and-tool!

Rainwoman 9: The forecast calls for downpour! Naughty Nici Sterling lets loose a gusher as woodsman Wilde Oscar strokes her tender folds and fanny! Dider, holder Zeena Dean unleashes her femme-juice for Dave Hardman's hard-on! With Nicole London and Melissa Monet between her thighs, Kerri Downs dribbles her way to one climax after another! And Peter North satisfies Jill Kelly and Alicia Rio with his thick bone as the original "Rainwoman," Fallon, fingers herself to a box and bum in a ball-womanly flood!

Rainwoman 10: Sexy starlets Christi Lake, Stephanie Swift and Caressa Savage welcome XXX-lovin' aliens Ron Jeremy and Mitchell Grant (and their "squirt-nator" ray-gun) with open legs! Christi's pretty puss pours — and unleashes a torrent of cream — for Mitch's mighty meat! Stephanie swallows Tony Tedeschi to the root before gushing for his pumping gland! And after Nici Sterling splashes Wilde Oscar's wood with wetness, Tiana opens Fallon, fingers herself to a box and bum in a ball-womanly flood!

Rainwoman 11: The drought is over... and newcummer Vicca is a squirt to be reckoned with! See her spread her pink for Rebecca Lonic's tongue and toys - then suck, buck and let loose a gusher for Vince Voyeur's big gland! Red-hot Roxanne Halle drains John Decker dry atop a vintage auto! And Nici Sterling squats atop Wyide Oscar's hard throber 'til she squirts - and as Bunny Bleu takes it up the tail! With Brooke Ashley, Guy DiSilva and more.

Rainwoman 12: More gush for your gander! XXX producer Kyle Stone discovers the next Fallon (Taren Steele) in a film but doesn't know her name! In his pursuit of the sensational squirter he hires a private dick to find the flash-flooder! See Nici Sterling answer Jacklyn's pierced tongue-fargo with a slit-soaking gusher! And when Taren is finally found, she demonstrates her wet specialty by drenching Kyle in womanly juice 6 times! Newcummer Jazibel Flair demonstrates her flair for flooding in first-rate spasm-splashy style!

Cities

The nation's capital, hotbed of political scandal, is also well-known for its hookers.

(continued from page 106)

Whether selling votes or selling pussy, the dealmakers of this powerful city have prostitution down to a science.

Murphy). Be ever-vigilant for decoys.

The scams: These girls know every trick in the book—from combing your pockets while your pants are down to conning you into spending needless money to bring along a second girl. Hold tight to your wallet and your wits.

8. NEW YORK, NEW YORK—As the saying goes, if you can't get fucked in New York, you can't get fucked anywhere.

The street: Forget Times Square, centerpiece of Mayor Giuliani's clean-sweep campaign. Much of the sex trade has drifted over to 10th Avenue and downtown near the financial district, which has seen a rise in cheap sex clubs, where you can take one of the girls to a closet-size back room.

For street whores, active pockets of prostitution are scattered throughout Manhattan: 12th Street between 2nd and 3rd Avenues, Lexington Avenue between 24th Street and 30th, 11th Avenue between 23rd and 30th, 9th Avenue between 33rd and 39th (near the entrance to the Lincoln Tunnel), and 9th and 10th Avenues from 44th Street to 50th.

Few of the hookers working these tracks will win a glamour contest. They don't look all that bad. Many are white, and they're cheap: Blowjobs are \$30, and

they'll spend an hour in a hotel room of your choice for \$100—a deal compared to the price tag of local escorts.

In Manhattan, there's only one place to find high-price ladies: after 10 p.m. near the Plaza Hotel, from 59th and Central Park South to 6th Avenue and 58th Street. These hookers, who dress nicely, are best cruised on foot. You often can't tell they're working girls until one of them asks if you're "looking for someone tonight?" If she initially asks for \$400, offer \$150—most will agree to a 30-minute half-and-half in your hotel room for \$200.

The cops: Even during sweep weeks, New York's finest prefer to go after prosties instead of johns—they're easier to catch and prosecute. But always stay alert.

The scams: The seedier the neighborhood, the more likely you'll get ripped off. In the Big Apple, the market is buyer beware.

9. WASHINGTON, D.C.—The nation's capital, hotbed of political scandal, is also well-known for its hookers. Whether selling votes or selling pussy, the dealmakers of this powerful city have prostitution down to a science.

The street: The area around McPherson Square, bounded by K Street

to the south, 10th Street to the east, 15th Street to the west and as far north as Rhode Island Avenue, remains the most lucrative pickup territory in the city. Although weekday evenings may only find a handful of ladies working, on weekends after midnight the tarts are in ample supply. Here, the better-dressed pros, many of whom are knockouts, tend to hang to the south, toward K Street. The beaters stay north along the side streets off Logan Circle.

Prices vary depending upon the client, the hour and the quality of the girl, 60% of whom are black. Rule of thumb: \$30 to \$50 for a blowjob in the car; \$100 to \$150 for full service in a hotel.

The cops: There have been several decoy scares reported on ASP over the past few years, but most johns are left alone. Nevertheless, police sweeps are a weekly event, and there is a law in D.C. that allows authorities to impound the cars of johns caught soliciting; so take all necessary precautions.

The scams: The usual tricks. D.C. is a high-crime area with plenty of guns, drugs and gangs. It's best to use extreme caution.

10. ORLANDO, FLORIDA—Wherever you find tourists, you find hookers, which is exactly the case in this central Florida town that is home to Disney World and Universal Studios.

The street: The track in Orlando is known as Orange Blossom Trail—in particular, a four-mile stretch running north and south of Interstate 4 (Exit 33). Weekend nights after 10 p.m., Orange Blossom and the side streets that run parallel to the trail are brimming with beaver—often pretty young girls who have opted to forsake the area's escort and masseuse trade for direct curbside service.

Along the busiest sections of the Trail, such as near the intersection of Texas Avenue, prices reflect quality. Here you can get your dick sucked for as little as \$20 or have anal sex for \$50. Anywhere along this track you can get a quality half-and-half for \$100, with sex performed almost exclusively in parked cars.

The cops: Police are most active before midnight, and although they focus mainly on the working girls, it's a good idea to stick to the side streets when patrol cars are out.

The scams: According to recent postings on ASP, you're more likely to find scam artists working the local massage parlors, where four times the price gets you one half the service. ☹

"You have pussy on the brain, Mr. President."

Trasley.

"Yep, that's my wife...pussy as cold as ice!"

PENIS ENLARGEMENT TO MAXIMUM POSSIBLE SIZE!

MEN REPORT NEW DIMENSIONS OF 9 INCHES... 10 INCHES... EVEN AS MUCH AS 12 FULL INCHES!

"I couldn't believe it at first; how big it got in so little time. I had to blink my eyes... was that huge, throbbing pole in the tube REALLY my penis? Well... it was, and since that time I have used the **MAGNUM PRO** to make it **BIGGER and BIGGER** every time. Working out with the **MAGNUM PRO** is addictive..."
—Brad Pennergan, Milwaukee, WI

You'll see **VISIBLE RESULTS** the **VERY FIRST TIME** you use this system... See how **FAT**, how **LONG**, and how **HARD** and **stiff** your own penis can become!

THE WORLD'S FIRST "RESULTS-ORIENTED" SYSTEM: Tested and Proven to give you **MAXIMUM GAINS** in **MINIMUM TIME!**

Extensive research brings you a system that takes the guesswork out of enlargement. We are the only system that incorporates: a state-of-the-art pump (2 models available), PLUS a patented "erection sentry," PLUS an instructional manual on maximum enlargement techniques and **ALL THIS** at a price that is literally 1/10 of what you would expect to pay.

VISIBLE GAINS IN SIZE:

GETTING THEM is only half of the battle; **KEEPING THEM** is why we're the best.

The male erection is caused by blood flowing into hollow caverns in the penis. The caverns fill with blood and the penis grows in size and thickness, becoming stiffer as well. Our system not only enables any man to increase the capacity of these caverns by allowing them to hold more blood, but our revolutionary **SENTRY Prolong Ring** allows you to keep that **FAT, BULGING, ROCK-HARD ERECTION for as long as you want**. When you've pumped yourself up to the size you like, slide the **SENTRY** onto the base of your penis and let it stay there, guarding, maintaining, keeping your **POWERFUL, THROBBING ERECTION** through intercourse and beyond. When you are satisfied, you simply release the **SENTRY** with one hand! It's that simple!

ALL THIS... WHAT MORE COULD YOU ASK FOR? HOW ABOUT A PRICE THAT IS POSITIVELY UNBEATABLE?

First of all, if you could even find a system that offers you all that the **EXCELO System** with **SENTRY Prolong Ring** does, you'd easily be prepared to pay hundreds of dollars for it. That's why our system (2 models to choose from) is a truly unbelievable bargain at the price offered.

THE BEST OF BOTH WORLDS:

ULTRA-MODERN TECHNOLOGY AND GOOD OLD-FASHIONED VALUE - THE EXCELO SYSTEM GIVES YOU BOTH!

Made in the U.S.A., these state-of-the-art vacuum pumps are equal or better than those prescribed by doctors that sell for up to \$430. **ACCEPT NO SUBSTITUTES!**

NOTE: All pump models include "MAXIMUM GAINS" How-to instructional manual.

Excelo **MANUAL** model only **\$13⁹⁵**

PENIS ENLARGEMENT SYSTEM

DR. BROSS INSTITUTE FOR SEXUAL ENHANCEMENT Professional and Complete PENIS ENLARGEMENT SYSTEM

Professional Instruction and Professional Products to help you and guide you every step of the way to a longer, thicker, and harder penis now! Our customers tell us 9 inches... 10 inches... even a **BIG 12 INCHES** is possible!

My name is Dr. Bross and I have discovered the Complete Penis Enlargement System that can help you enlarge your penis. The penis vacuum pump is also becoming the #1 medical treatment for impotence, premature ejaculation, increase sex drive and sexual performance.

**THE WORLDS LARGEST SELLING PENIS ENLARGEMENT SYSTEM
USED SUCCESSFULLY FOR OVER 30 YEARS WITH OVER 15 MILLION
SATISFIED CUSTOMERS.**

WHY MY COMPLETE PENIS ENLARGEMENT SYSTEM WILL WORK FOR YOU WHERE OTHERS FAIL.

If you have tried other pumps in the past without success I am sorry that you have been disappointed. But if you are serious about penis enlargement, increasing your penis length, thickness and hardness I recommend 100% the penis enlargement systems shown here that you can buy direct from the manufacturer without a prescription and save hundreds of dollars.

WHAT YOU NEED TO HAVE A LONGER, THICKER AND HARDER PENIS.

1. The Best Penis Vacuum Pump. Squeeze bulb and short stroke centric or center push pumps create a minimum amount of vacuum. Used possibly for masturbation but not for the vacuum that is required to enlarge your penis. To be successful you need our Penis Pumps with the exclusive **POWER VACUUM CONTROLLER** that adjusts the right amount of vacuum for your Penis Enlargement.

2. Easy To Follow Professional Instructions. We do not ship to you a small piece of paper with instructions on how to use the pump and then leave you guessing on its proper use. Please do not be misled. Without professional instruction there just isn't any easy 1-2-3 method for penis enlargement. Instead I have produced a **Professional Instructional Video and Magazine** that shows you step by step everything you need to know to be successful. Only after you learn my penis enlargement methods by watching the video and magazine it will then seem as easy as 1-2-3. I have sold millions of my videos and magazines. Because of this volume my cost is only one dollar for the video and magazine and it is not for sale. My penis enlargement instructions without the best penis vacuum pump cannot help you. I include it Free with the purchase of any of my **Professional Penis Vacuum Pumps**. Now you have the combination you need for your successful penis enlargement, the best professional pump and professional instruction.

MOST MEN DO NOT REQUIRE A PROLONG OR ERECTION RING.

However, there are some men who would like to maintain an erection for a considerable length of time. You must not use a fixed size tight fitting plastic ring around your penis when you use a penis pump. You could restrict the blood flowing into your penis. Instead, I offer to you Free with any penis enlargement system a **Comfort Fit Erection Ring** that will adjust to fit any size penis.

HOW DOES THE ENLARGEMENT PROCESS WORK?

Approximately 2/3 of your penis is made up of muscle tissue called corpus cavernosum and that tissue can expand. The Enlargement process is called hypermiation. Blood rushes into the muscle tissue causing the penis to expand to your maximum potential.

Dr. Joel Bross is a noted sex therapist, clinical sexologist in private practice since 1974. He specializes in sexual concerns for both woman and men. He is responsible for the production of numerous educational sex videos.

The penis about 3 inches is inserted into the clear tube.

After instruction and pumping this man has enlarged his penis to about 10 inches.

After more pumping the penis is removed from the tube and the penis is about 11 inches.

Even when the pump is not used the penis "hangs" thicker and longer.

WHAT MY PENIS VACUUM SYSTEM CAN DO FOR YOU.

Increase penis length and thickness • Stimulate a harder and more powerful erection • Exclusive design helps maintain your erection for as long as you wish without an erection ring (use my Comfort Fit Prolong Ring for extended sex) • Increase confidence, sex drive and sexual performance • Intensify your orgasm

The "original" and the worlds largest selling penis vacuum pump. Extra long 10 inch piston assembly.

Exclusive design. One hand operation fits comfortably like a pistol. Pull the trigger and instantly the piston releases the vacuum you need for a longer thicker and harder penis.

Professional Battery Powered Premium Penis Pump

The Original. One hand operation. Press the switch to start and release your finger to stop the motor. You have complete control for continuous vacuum for penis enlargement.

Important Exclusive Features. The self-contained motorized unit can be removed to clean the clear tube. Other pumps have the motor, wires and batteries attached to the tube and with use and cleaning can rust and damage the motor and batteries.

\$42.95

One hand operation. Comfort fit grip to squeeze the lever so you can operate the power piston.

PENIS ENLARGEMENT Systems

YOU TOO CAN GO FROM MINISCULE TO MAMMOTH & HAVE ERECT MEASUREMENTS UP TO 12 HUGE INCHES!
It's Effortless... Fast... Foolproof and Affordable!

NO PUMPING STARTS HERE... JUST SOME OF OUR SATISFIED CUSTOMERS

ALL PHOTOS ARE UNRETOUCHED

THE SUPRA-12 PENIS ENLARGEMENT and ERECTION BUILDING SYSTEM IS DISTRIBUTED and SOLD IN 68 COUNTRIES SINCE 1965 and IS USED BY OVER 15 MILLION SATISFIED MEN!

Number One Bestseller Worldwide!
WHY? Simply Because:

- It's The Most Effective You can LENGTHEN, THICKEN and HARDEN your penis to startling new proportions IN HALF THE TIME, WITH HALF THE EFFORT! Get erect measurements of 9, 10, YES!! - even 12 FULL INCHES!
- It's The Finest One Made The best materials, hand-constructed, engineered, and made in the USA. Features the patented SUPRA VALVE and SENTRY Prolong Ring. Nobody else has it - at any price!
- It's Easy To Use Our professional system doesn't include complex instructional "magazines" or videotapes. Why? Because with our system, you don't need them! Our system is so simple to operate, you don't even need to use both hands!
- It's The Most Affordable We have a pump for every budget, even ones as low as \$14.95!!! All made in the USA featuring the same quality construction and reliability that has become our trademark worldwide. The SUPRA-12 has stood the test of time.

The Men Behind BRISTOL MEDICAL

Lee Conner, B.S. M.A. in electrical engineering. The founder and CEO of Bristol Medical. Along with Dr. Ruffin, he has developed the SUPRA-12... the world's leading vacuum pump.

Dr. Andrew Ruffin, PhD. A published sex therapist and sexologist for over 30 years, has produced 6 sex education videos. Developed many products for sexual dysfunction.

WORKS ON NATURAL PRINCIPLES... NO GUESSWORK... NO MUMBO-JUMBO!
 The male erection is produced when blood flows into the special *bulbocavernosus* muscles inside the penis shaft. As these muscles fill, the penis increases in diameter and thickness. By increasing their capacity as the SUPRA-12 does, they can hold more blood, resulting in A DRAMATICALLY LONGER, THICKER ERECTION. Users of SUPRA-12 say they're "truly astounded" when they see their penises reach startling new proportions inside the chamber of the SUPRA-12. And you will be too!

THE SUPRA VALVE & SENTRY PROLONG RING ARE FEATURES NO OTHER MANUFACTURER OFFERS!

Getting a huge, fat erection is one thing... *keeping it is another!* That's where the features of the SUPRA put it miles ahead of its competitors! The patented SUPRA Valve "locks in" the vacuum power for the biggest size possible in the shortest amount of time. Don't be fooled by claims of "more vacuum." Too much can cause medical problems. Every SUPRA-12 pump passes stringent quality control and is tested according to medical standards - no more - no less. And with the SENTRY Prolong Ring, you can stay as hard as you want, for as long as you want. **[IMPORTANT!] All professional medical vacuum pumps (including \$500 models) include prolong or tension rings. Our Sentry fits any size penis, and there is no hassle in removal or pulling of the pubic hair as in others. The nearly invisible SENTRY rests comfortably at the base of your penis, maintaining your dynamic "super erection" indefinitely, but never interfering with your pleasure - EVER! Carmen

Bareback Season

PHOTOGRAPHY BY JANNA KRENOVA

"Riding my horse, Cherokee, is my way of communicating with nature," says nude equestrienne Carmen.

"I don't want some clunky saddle between me and the rhythms of animal. I love the smell of horsey sweat and holding tight with my thighs when

Cherokee breaks into a gallop." Carmen strokes the neck of her faithful mount.

"Boys think girls lose their cherries riding bareback," giggles Carmen. "I ride horses for fun, but I straddle men for pleasure."

HUSTLER

SEX EDUCATION

September HUSTLER hires hot, titillating teachers to put the ass back in class. Two swim instructors bone up on the meaning of life after narrowly escaping a watery grave. Horny hijinks ensue when a blond lesbian takes her best girlfriend on a fuck field trip to the family farm. A sultry, born-again brunette finds grace between her supple thighs. A sexy surveyor explores the silky depths of Mother Nature's sweetest mystery. Crack open the pink pages of September HUSTLER for an all-night cram session.

DITCHING DETENTION

After infiltrating the Oval Office, the Religious Right will outlaw premarital sex, adult entertainment, HUSTLER Magazine and other personal liberties in the name of God. The Religious Right currently pulls the strings of several national policy makers on Capitol Hill. Conservative Christian organizations successfully backed the campaigns and ensured the election of nine Senators and 26 Congressmen. Are the average HUSTLER reader's Constitutional rights and freedoms in serious jeopardy? Yes. In *One Nation Under God: How the Religious Right Wants Control of Your Government*, political analyst Laurel Smith maps the maneuverings of religious fanatics in three-piece suits legislating the nation's morality.

RAUNCHY RECESS

XXX starlet Shane parlayed her blue eyes, sunny smile and insatiable sexual appetite into unparalleled notoriety and success with her *Shane's World* blue-screen series. Her signature videos shoplift styles from MTV's *Real World*, National Lampoon's *Animal House* and Bruce Seven's fuckathons. *Shane's World* dispels the humdrum norm of conventional porn by capturing the carefree frolicking of fresh-faced starlets before, during and after orgasm-inspiring orgies. In *Probing Shane's World: 48 Hours on Planet Pussy*, reporter Steve Slauson joins Shane's gaggle of giggling girls and guys for a weekend of snowboarding, smoking and schtupping at California's Big Bear Mountain ski resort.

EXTRA CREDIT

In September's *Sex Play*, "A Kick in the Nuts: Recognizing and Fighting Testicular Cancer," medical correspondent Larry Wichman offers an optimistic prognosis about this pernicious yet curable cancer. *Bits & Pieces* flushes the shit that didn't make a splash in *South Park* and squashes this summer's monster blockbuster. *Erotic Entertainment* picks the prick-stiffening flicks and clones Shayla La Veaux's cunt. *Beaver Hunt* hosts a potluck of neighborhood sweetmeats. September HUSTLER tops the honor roll with pages of grade-A pussy.
